**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition in the broadband industry. Big telecom companies do not provide competitive prices, require contracts, and provide poor customer service. I will be very upset if I have to start using their services. I have had to do so in the past and it was the worst experience Ive ever had with a company. My local provider actually treats me like a welcome customer.

Thank you.
