**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I lived in an area with a massive ISP duopoly. I recently moved to an area with several ISPs and FINALLY have a good amount of choices on the services I use with better quality and superior price.

I work from home and having reliable, consistent, and affordable internet service is incredibly important to me. My ISP leases their infrastructure from a larger telecommunications company, and it would be horrible if that telecommunications company is no longer obligated to lease, to help smaller ISPs to create superior quality internet service.
