**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer of broadband from a local internet provider who has provided better service than any of the major telecom competitors I've received services from. I value competition which provides incentives for continuous improvement vs the stagnation and complacency of oligopolistic market control.

My job requires a stable internet connection for hosting online meetings. If you allow telecom giants to grasp further control of the markets, my ability to connect will be jeopardized and I may be put out of business.

Thank you,

Marco Pantoja
