**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Living in a small community, I would like to have more competition for internet and telephone services. Broadband is critical to my business to be able to be competitive. Please allow more competition in rural areas. AT&T(ie) is not the answer for everyone. I appreciate doing business with home town folks, they can provide better service and they speak English!

Thanks for your attention to this matter.
