**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am disabled. I don't need TV service but I do need Internet service. AT&T is going to charge me \$50.00 per month and a \$90.00 installation charge. I am on a limited income and have to budget every penny.

Please consider my situation before making your decisions. I am on SSD. Internet is one of only two ways I can communicate. The other is my wired phone.
