RE: Docket No. 02-6 Waiver Request

Applicant Name: SunBridge Schools (Originally named Kids Learning Academy)
Applicant Billed Entity Number: 16073005
Service Provider Name: Buckeye Telesystem
Service Provider Spin: 143005290
FCC Form 471: 171026817
FRN: 1799057295

This is a request for a waiver to extend the invoice deadline for the above referenced FRN. The District was determining if the Service Providers established a SPI for the Filing Year of 2017-2018.

I therefore requested in the EPC Portal, an extension for all 3 VOICE FRN's (1799057288, 1799057306, 171026817) that were on this 471. (See attachment: "SB Appeal Invoice Deadline.xlsx")

Apparently, I mistakenly omitted the 1799057295. I believed all FRN's were extended. I went to file the BEAR form for the above FRN on October 30th- thinking the deadline was already extended, as I learned SunBridge Schools did not enter into the Service Provider Invoice (SPI) agreement with that Service Provider. After I completed the BEAR form for FRN 1799057295 online it was submitted and Certified. (Please see attachment SB.17.18.BEAR) As you know, the USAC legacy website does not correlate with the EPC Portal. Therefore, I did not know there was a discrepancy until I went back to the portal to check on the extensions for the other FRN's.

At that time, I realized the extension was NOT requested.

SunBridge Schools respectfully requests that a waiver be granted and the deadline to submit a BEAR form is extended. I realize I made an error but ask for a one- time waiver of the timeline, so the District may receive their approved funds.

Thank you,

Melissa Scalzo
