**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not want price hikes and I don't want some big corporation limiting my data. Competition is healthy for the market. I live in a community where I only have 2 choices for internet don't take what limited choices I do have away. It is your responsibility to advocate for the people not big business.
