**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We desperately need competitive broadband in our county. Please keep it competitive so that those least served in rural districts can afford the service. The US is way behind Europe in delivering affordable service to all. It is shameful that my daughter and her family do not have access to affordable high speed internet.
