

I strongly oppose the merger of Sinclair Broadcasting and Tribune Media. The merger will expand Sinclair's reach beyond its legal audience cap of 39% to a massive 72% of US households. The FCC should not bend rules or roll back regulations to allow Sinclair to dominate the US airwaves. Local news should remain local, without interference or required statements from a parent organization that may have an agenda. I urge the FCC to stand firm in its principles to ensure locality, diversity, and competition in the media.
