**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very happy with Socket Internet. The phone company and cable companies do not have the best interests of the customers they only care about profits. Please don't restrict competition. Mediacom and CenturyLink have raised the price of internet service and add so many fees, taxes, and data limits that a lot of people can't afford to have internet anymore. We need more options and competition to drive prices down.
