**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I appreciate having local options for Broadband services. I feel that I get superior service. I also appreciate that they contribute to local causes. I believe in shopping locally, with businesses that are engaged with the community. Less competition generally means higher prices and poorer service.
