**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who supports and relies on broadband competition. The competition keeps prices lower. Since I am a low income household it is important to me that I have affordable and competitive prices for my broadband services. My daughter needs broadband for her schoolwork.

Thank you.
