Re: MB Docket No. 17-179, Media Bureau Establishes Pleading Cycle for Applications to Transfer Control of Tribune Media Company to Sinclair Broadcasting Group, Inc. and Permit-But-Disclose Ex Parte Status for the Proceeding

Dear Ms. Dortch,

Enclosed please find the comments and petition signatures of an additional 8,000+ Free Press members telling the Federal Communications Commission to reject the Sinclair-Tribune merger.

The petition reads:

To the Federal Communications Commission:

The FCC must deny the Sinclair-Tribune merger. Sinclair has consistently proven itself to be an unworthy steward of the public airwaves — promoting racist commentators, spreading Trump propaganda, slashing newsroom staff, and forcing bigoted must-run content on local stations — and should not be rewarded with a merger that will allow the company to double down on its bad behavior.

If the FCC approves this deal, Sinclair — already the biggest broadcaster in the country — will reach more than 70 percent of the U.S. population. This merger is so bad for local communities that the FCC would have to slash nearly every existing media-ownership protection to force it through — a major shift the agency is making without *any* chance for public comment.

**We urge the FCC to listen to communities and block this despicable deal.**

Best,

Candace Clement  
Campaign Director  
Free Press

Mergers like this do great harm to the American people. We need MORE competition, not less. Please stop this anti-American merger.  
—William O'Toole, Emmitsburg, MD

A dictator is not a leader.  
—Lennart Grol, ,

If Trump's FCC chairman and Sinclair get their way, we'll enter a new era of mega-media consolidation that would put the same cookie-cutter content on every channel and more journalists standing in the unemployment line. The deal would allow Trump propaganda disguised as local news to reach nearly 70 percent of U.S. households.<sup>3</sup> President Trump only labels news as "fake" when it's critical of his agenda. He's convinced his supporters that journalists are "enemies of the American people." That's not democracy — that's dictatorship.  
—Marcus Maloney, Sacramento, CA

No "1984." No Nazi propaganda. No "Big Brother." This is North Korea stuff, not democracy.  
—Amy Henry, Northampton, MA

Sinclair must not have a media Monopoly.  
—Colin Burke, Yardley, PA

Allowing this broadcast company to take over our airwaves is unconscionable. Don't let it happen.

—Patricia Greenough, Ashland, OR

Why?

—Katherine, Tucson, AZ

Wrong to allow a single company to have such control over what people see and hear.

—John D. Santamaria, Stoneham, MA

Local news should remain local and independent. We do not want our local news to be another mouthpiece of the Trump administration, and I am sure the local news people do not want that, either. Have some respect for local news casters and leave them alone.

—Cindy May, Los Angeles, CA

Heading toward a totalitarian government are we? Electing Trump is a disaster. Getting his poison out of our lives is going to be one hell of a job. We don't need any added access for hateful white unevolved men. Trump may have money but he is not a leader of free people.

—Dr. Marianne Caston, Santa Barbara, CA

Media is already way too centralized. I was a radio DJ for 50 years, and now due to the lack of variety on the air many of the medium's best have no place left to go. This proposal would further and accelerate the consolidation of media in ways anathema to free exchange of ideas and avenues to do that on. This merger is a very bad idea, and I hope it will be blocked. Frankly I do not expect it will be as quashing diverse voices seems to be more the tenor of the day. We are all the poorer.

—Michael Esterson, Westmont, NJ

What is Mr. Pai's extreme interest in that broadcaster...oh he's attracted to the sin in SINclair and having more bigoted bad behavior! :(

You have already failed yourself and the American Public horribly on Net Neutrality, don't blow it again by allowing this horrible merger. Try and act FOR the people-not against them.

—Miles Babcock, Garden Grove, CA

Our media has already been taken over by too few corporations. We need local input, not corporate propaganda.

—Betty Ramsey, Las Vegas, NV

This absolutely must not be allowed to happen. No one company should have this much influence over the American people. Regardless of party, it should never be allowed to happen.

—Andrew Gates, Savannah, GA

I don't want to hear propaganda every day. Is this why you like Russia so much? You are getting your ideas from them. Be an American.

Media consolidation is really the enemy of a free press. Please oppose the Sinclair-Tribune merger and support our free press!

—Peter Baughman, San Antonio, TX

Merging media is bad!

—Douglas Gruenau, Santa Fe, NM

I thought republicans believed in the free market and competition. Apparently not. This massive merger, allowing one company to reach a vast majority of households is 180deg out of that concept so the FCC is planning on going down the path of monopolies, the death knell for free market capitalism in deference to corporate dominance. This is an outrageous proposition and must be denied.

—Lawrence Fontes, Lake Oswego, OR

Please respect an open and competitive marketplace by rejecting this proposed merger.

—Michelle Mccoy, Chicago, IL

FCC Chairman Ajit Pai, I want the FCC to deny the Sinclair-Tribune merger!

—Charlie McLaughlin, Bend, OR

To approve this is to approve propaganda on American soil.

—Nicole Johnson, Hillsboro, OR

This is no time to allow more consolidation of media companies. I strongly oppose this merger. Dale Biron

—Evan G Griffith, Newbury Park, CA

Thank you for your authentic consideration of this message and responsible leadership in conscientiously choosing to retain the integrity of local news stations by blocking the proposed Sinclair merger with Tribune as well as changes in rules/regulations that would support this or any other mega-media consolidation that would prohibit freedom of speech or press.

—Polly Lazon, Keswick, VA

The internet is a life line for many people it is where we learn about companies for jobs and where we can look up medical information.

Middle class will not be able to afford to pay the rates the internet companies will want to charge and we will lose our excess to the internet

—Lascinda G Goetschius, Fair Lawn, NJ

We the people deserve better this move by Pai to pave the way for Sinclair Broadcasting and it's propaganda machine of Video News Reports, this not journalism or a free press.

—Barbara Johnson, Atlanta, GA

REALLY FAKE NEWS

—Erik Parsons, Portland, OR

Paraphrasing T. Jefferson, a democracy depends upon an informed populace. This merger only serves to make that impossible.

—Robert Vandervennet, Tipton, MI

(((\***STOP THE TRUMP DICTATORSHIP**\*)) "The best way to take control over a people and control them utterly is to take a little of their freedom at a time, to erode rights by a thousand tiny and almost imperceptible reductions. Stop orangr pus bag and his cronies from destroying freedom of the press. Stop him now or we will see Nazi Germany all over again and it is not that gar away.

—, New Town, ND

Consolidating media control under larger corporate interests further monopolizes the messaging and is a form of gerrymandering to drown out dissenting or diverse points of view. In a time when a financially elite minority wields disproportionate power in government and seeks to consolidate its control, our democracy is threatened by forces that would deny opposing opinions and facts from being heard.

—Thomas T. Taylor, Los Angeles, CA

Keep it up, Fascist bastards. There will be a revolution...guaranteed. Just read your Plutarch...oh, I see. You can't read. I forgot - extreme Right-wing assholes are always dumb motherfuckers.

—Robert Fischhoff, Silver City, NM

Stop the merger now!

—Eric Zimmerman, Saint Paul, MN

Trump is a nut case. Quit supporting his stupid agenda. This country does not need a media outlet for his racist bullcrap.

—Deb Staudt, Russia, OH

Even if Sinclair was not racist and bigoted, there is no way that one broadcasting group should be allowed to own stations that broadcast to 70% of the nation's populace. In my area, Sinclair owns 3 stations in one town and their news broadcasts are all virtually the same. In fact, on the weekend, there's only ONE, which is broadcast on two different stations at the same time. I can assure you 100% that I would still be opposing this merger, even if there was no political aspect to it. It would still be an attack on a free press in this country.

—David Bly, Ithaca, NY

This sounds absolutely conflict causing. If they want that, then it seems like 2018 is going to be even worse than this year in terms of things. I do not like where things are going, and it is a shame that it is happening to our country.

—Russell M. Flanagan, Marietta, GA

Fox TV has already eaten the brains of far too many Americans. We need more tv that nurtures our brains with facts and constructive analysis and not with angry fabrications.

—Pamela Kelly, Long Beach, CA

A free press is vital to our democracy. Merging to the point of eliminating dissenting opinions is toxic. I urge you to give the ideals of our founding fathers the highest priority.

—Mary J Martin, St Charles, MO

You are destroying American media and technology. Between this and your destruction of net neutrality, I'm truly disgusted by the FCC, and particularly that scumbag Shit Pie. Lmao. Autocorrect. I meant Ajit Pai. But autocorrect clearly knew better.

This would be beyond belief - even for Trump! Block this despicable deal!

We cannot allow this sort of narrowed media to exist. We cannot.

—stephen Stoker, San Antonio, TX

Put our country on the true road to greatness by rejecting the Sinclair- Tribune merger.

—Pamela Sheridan, Dover, DE

Why can't we have conscientious citizens on the board of the FCC who are committed to the best interests of everyone, instead of corporate whores who will blithely sell Americans down the river while lining the pockets of the few ??? It's shocking. How do some of these whores look at themselves in the mirror? What do they see staring back at them?

—Todd S Phillips, Middleburg, VA

What an attack! We must never allow one company to control our minds with untruths, lies, and feed on our emotions. I stand up for the original intent and words expressed in our Constitution; NOT the scare tactics and propaganda this one crazed President is inflicting upon all our citizens!!

—Jose Blanco, Miami, FL

This is a despicable deal and is not in America's interest nor in Americans interest.

—Ron Nelson, Rochester, WA

Reducing local broadcast content is highly objectionable, especially when the substitute is a politically active media company. Please block this merger.

—John C. Wiesner, Castro Valley, CA

STOP!!this attack on free thought in this country's airwaves! The Trump Administration is doing it's best to undermine democracy in this country with it's constant attacks on a free press and now the public's airwaves! This is the first thing that dictators do when they take over a country's govt. Attack the media and the right of free citizens to a free and democratic media. STOP THIS SEIZURE OF THE NATION'S AIRWAVES NOW!!

—M L. Parrino, Tampa, FL

Dont blow it, you assholes.

—Kelly McCormick, Atlanta, GA

The news media should be independent and diverse. This merger threatens the diversity of the news media. It should not be permitted to proceed.

—Nancy K Schneider, Palm Desert, CA

Let's shut it down: FCC please cancel the Sinclair mega-merger and shield local news from Trump's dangerous agenda.

—Robert Eberl, Snohomish, WA

Stop all mega mergers. We need different view points and opinions not the same story line as Russian's mass media.

—Anne Wolf, Santa Rosa, CA

There is a reason ownership rules are in place. Without a diversity of opinions, the republic cannot function as intended. Please do not allow this merger - please do what you know is right.

—David Lash, Huntington, NY

Block the Sinclair-Tribune merger.

—Catherine Hunt, Monroe Twp, NJ

I live in a market that has a station owned by Sinclair & have been appalled by some of the segments that have been aired. In addition to the extreme stance on issues that are shown, there is no counterpoint given. Not a balanced viewpoint. There needs to be a way to air local issues as well & if all the stations are owned conglomerates, our communities & citizenry are hurt. It is the duty of the government to protect our citizens & communities.

—Katharine M. Marron, Kennewick, WA

You MUST stop this merger. Freedom of the press is a right which cannot be denied.

—Patricia Blevins, San Jose, CA

I think this sums up what is so transparent and blatantly unAmerican: "Trump spends all day tweeting and railing against "fake news" while his FCC chairman changes the rules to ensure that pro-Trump propaganda dominates the market." I am really sickened by this increasing consolidation of media power and the crappy, canned news that is merely propaganda. Our grandparents and great grandparents would be shocked by what is happening in this nation! Stop the monopolistic takeover of our airwaves and other insults to a free press, and uncensored access to a variety of information sources that informed voters must have access to.

—Teresa Jacobs, Missoula, MT

OMG ..CANT EVEN FATHOM ALLOWIING THIS!

Stand up for the FCC and the rights of the American people, Ajat Pai

—Jill Adler, Manteca, CA

We need more options not less. We need to have stronger protections from broadcaster mergers so that one cannot be the sole provider for a majority of the country.

—Ryan Acebo, Oakland, CA

I am very concerned that the First Amendment will be effectively eviscerated if these monopolies (read Sinclair/Trump) are allowed to proceed. I don't know if I am addressing the full FCC here or just Mr. Pai. If the former perhaps you will listen and prevent the Sinclair/Tribune merger. Hopefully some of you still value a free press. I rail against them too at times but without a free press we are nothing. The USA will be nothing. It's stunning how much one man has done to destroy our country in a few short months. Please please please don't be a part of it. Citizens by themselves have little recourse beyond appealing to boards such as yours. Please don't let us down.

—Irene Price, Sacramento, CA

I say NO to Trump propaganda TV.

—Kirk Taylor, Yelm, WA

Please help stop the madness!

—Dawn DiBlasi, Fairfield, ME

Please prevent monopolies and encourage freedom of the press in small and large markets. Freedom of information is paramount to America being great. Thank you.

—Chellie Norris, Swan Lake, NY

This merger will be damaging to our national discourse and our democracy! We need multiple news sources with differing points of view in order to make informed, responsible decisions. I urge the FCC to preserve the limits on how much local media one company can own.

—Katherine McHale, San Jose, CA

NO WAY!

—Nick Berezansky, Ridgewood, NJ

A monopoly does not give us news, it seeks profit and influence.

—Wendy Fast, Dansville, NY

Cable news programs are designed for specific audiences. We don't need this in local news. It has already happened to one local station in my area. It was my preferred station for local news. I no longer watch that station. I don't like mandated political slant with my local news.

—John Doucette, Providence, RI

Media monopolies weaken democracy, which requires an informed - not misinformed - electorate.

—Fred Granlund, Port Hueneme, CA

Please hold a hearing!

—J Rodden, Bellingham, WA

Public media should not be subject to mega-mergers. At each merger the small, lone voices of truth become ever smaller and less likely to be heard. By single-sourcing our news and information, the FCC would allow local communities to have to turn to Sinclair for their "news" and further endanger truth in our country. PLEASE CANCEL THIS MEGA-MERGER!!!!

—Joyce and Doug Dillenger, Bellingham, WA

YOU MUST ACT TO PROTECT THE AMERICAN PEOPLE FROM THIS HORRIBLE MONOPOLY

—Mrs K K, colorado springs, CO

Keep local news locally produced!

—Carol Lee Duffin, Dekalb, IL

Please allow the general public to be smart and not inundated with conservative nonsense. As a former conservative, I am so saddened by the dumbing down, lies and spin that these companies put on facts. Sinclair and Tribune should be kept separate, not merged!

—Sara Wallace, Stillwater, OK

Media mergers like the Sinclair travesty will destroy what is left of a free and independent media structure in the United States. Broadcast station ownership was once restricted to a maximum of 8 (eight!) TV stations in each of 8 (eight!) different media markets. No cross ownership of newspapers in any of the TV markets was permitted. Commercial consolidation on the scale we now witness has been demonstrated to destroy the diversity of news sources and the independence of views. All damaging to the viability of the media system structure. The Sinclair-Tribune merger should be denied in the interest of the integrity of public information channels.

—Peter J Butt, San Pedro, CA

Sinclair is not fit for our public airwaves!!

—Joseph Anselmo, Twin Lakes, WI

If you believe in American values, don't do this. This is, as that great republican president said " a government of the people, for the people and by the people. This does not reflect that haloed Republican belief.

—Lee Grindheim, Watertown, MA

Stop the Travesty of Trump.

—Stephan Donovan, Chicago, IL

This is a blatant takeover of the right to free speech.

—Russelyn Connor, Bayfield, CO

Fascism is not acceptable and the chairman is heading that way, and so is this merger. No merger.

—Avi Okin, Kamuela, HI

protect america and freedom...not trump cronies and big media.

—Steve Dillon-Gehrig, Durham, NC

This cannot be allowed! We will not allow Trump to shove his propaganda down our throats! Freedom of the press!

—Lori Northrup, Vancouver, WA

Illegal endless wars by the military industrial complex owned media. What your doing is Treason.

—Gene Webb, Bodfish, CA

Control the media and you control the flow of information. Corrupt leaders know this. We need an enlightened electorate and independent news sources. We need competition and most of all we need the truth.

—Jeffrey Cody, Chicago, IL

Monopolies destroy democracy. You Chairman Pai are smart enough to know this. So I question your motives

—Mary Bell, Amarillo, TX

This merger is an abomination/ killer of freedom~!

—H Mendoza, Woodstock, NY

bought and paid for, prostitutes, not politicians are who in charge of this government. how sad.

—Patt Runyan, Loveland, CO

I guess the FCC would one person controlling the media for everybody. It has been the policy of the FCC to keep anybody or organization from controlling the media. The deal would control output to 70% of the U.S. This is what a dictator would do. This is what I would expect in Russia.

—Kenyon Donohew, Oceanside, CA

This is a terrible idea, of which you already are well aware . While I would love it if you would change your mind, I suspect you will not. Shame on you!

—Emily Willoughby, Tukwila, WA

Our government should be defending us against monopolies, not facilitating them! Stop this unwise immoral merger now!

You're supposed to protect Americans against economic oligarchy.

—George Quasha, Barrytown, NY

Stand up for the Anti-Trust Laws as they stand today. Not as they might be rewritten by some treasonous destroyer of Democracy and the American way who just wants to enrich himself.

—James Smiley, Mocksville, NC

This is State Controlled media, never thought I would see this in America.

Between Fox News and Sinclear, we don't need a steady diet of right wing propaganda sanctioned by the FCC.

—Peter Turco, Westerly, RI

Sinclair is exceptionally dangerous for our country. Please stop the merger.

—Heather A Wilkes, Mesa, AZ

Trump's assault on the 1st Amendment must be stopped dead in its tracks. This is anti-democratic, anti-American...not that the Republicans would care!!!

—Dale Hawrylczak, Westwood, NJ

It is time, in my humble opinion, and from the Department of Democracy and the Department of Duh, to bring back the Anti-Trust Law and put the dagger into the heart of this merger forever! Please do the right thing for our Democracy. Thank you.

—Jan Stautz-Hamlin, Clearwater, FL

You do NOT represent Trump. You represent the people. Sinclair does not!

Mr. SDD We already are having our search choices misdirected. What will it be like when big media can make all our choices of what to read and watch? Mr. SDD

—Mr. Shelley D. Dahlgren PhD, Sammamish, WA

This is like USSR propaganda of old

—Christopher S. Minich, Lewis Run, PA

The Fourth Estate absolutely **DEPENDS** on a free press that is not monopolized by a single point of view. It's quite clear that Sinclair is attempting to corner the market so that they can proselytize their own right-wing viewpoint. The public must be allowed a say in this.

—Richard R Gingras, city, VA

Stop giving this man more press

—Mr. Jarrod Barthe, Manchester, NH

Stop this merger. We need real news not trump propaganda! Why has this country gone downhill so fast with him in charge? Why would you even think that this is a good thing to do? Stop to propaganda! Don't encourage it!

—Tom Ross, Seattle, WA

I WILL NOT HAVE DRUMPF TV IN MY LIVING ROOM! OMG!!!! GROSS!!!!

—Daniel D Wilkinson, Long beach, CA

We can't allow media to be dominated by political manipulations.

—Peter Homan, Ocklawaha, FL

What happened to competition? What happened to anti-monopoly laws? Where are the trust busters? We do not need nor do we want a one size fits all news media.

—Larry Kimball, Cotopaxi, CO

Ajit Pai, you are a disingenuous, manipulative, deceitful and smug shill. As a public servant, please try to do your job and act in the public's best interest, not the businesses that will make you rich if you are able to continue undoing the regulatory functions of the FCC.

Do not move forward on anything suggested by an administration that is under indictment for conspiracy against America with Russia!

Sinclair already controls two broadcast television stations in the Seattle metropolitan area and it would be a blow to the local free press to allow them to take over the remaining local stations.

—James Knox, Puyallup, WA

These are wise, well-established limits that should not be done away with simply at the whim of one person.

—John Wienert, Atlanta, GA

FCC - stand up for what's right and stop the Sinclair mega-merger! Protect and defend independent local media!

—Aiden Harrington, Gary, IN

We can't let Trump stack the deck in his favor.

—Beth Jane Freeman, Wantagh, NY

I've lived long enough to see that you're working against the American people & this is nothing more than a scheme to force Sinclair's fact-free, right wing propaganda into all American homes. You are attempting to bludgeon all hardworking families by forcing conglomerate ownership of local news by a delusional billionaire called Sinclair Broadcasting, who happens to be no different than Russian state-owned news. Do your research and reject this totalitarian nonsense.

—Barbara Tessitore, Schenectady, NY

PLEASE!

—Roger Schlemmer, Hudson, WI

Corporate Consolidation had to be dealt with in the Gilded Age, so why is it different now? Make no mistake; government starts out as business, and eventually the politicians that take money from these corporations will be supplanted by them.

—Patrick Facemire, Gassaway, WV

Press Freedom is not "free" if there are only 2 or 3 giant corporations controlling the media.

—Raymond Bryan, St. Paul, MN

From the start the underlying law that set up the FCC was to protect the public's airwaves from monopolies and undue domination by powerful corporation. To approve this merger is to disenfranchise the public from their airwaves and communication rights.

—Todd Darling, Venice, CA

trump is a dumb bell dictator and a crook

—Helen Roy McAllister Phd, Hidden Valley Lake, CA

This merger moves in the wrong direction. We need less consolidation, not more. No broadcaster should have a monopolistic reach.

—James Hubbard, Los Angeles, CA

Stop this monopoly controlled right wing racist mouthpiece to air more lies and misinformation with this Mega-Merger cancel this consolidation and widen the culture of independent voices by breaking this power-grab and open up competition with smaller market radio communication for equal time ! ! !

Block trump tv.

—Nancy Porterfield, Albuquerque, NM

A Maniacal Takeover of the United States.

—Bernadette Webster, Whitethorn, CA

This merger is wrong considering your rules. This gives Sinclair too much power. They make their news stations put out Republican talking points and don't give equal time for Democrats.

—Jim Kippen, Plymouth Meeting, PA

The idea that a single meg-corp should own or influence most of this county's TV is absolutely unacceptable.

—Thomas Adams, Springfield, VA

forget the partisan politics. this merger would simply result in a too-big communications monster. it should NOT be permitted.

—Michael Leonard, la jolla, CA

I am absolutely AGAINST this merger!! We as United States DEMAND to have CHOICES in what we view, how we view it, and who we pay that provides the service. I am AGAINST this MONOPOLIZATION. I urge the FCC to BLOCK this terrible deal.

—Tom Kennedy, Winfield, AL

Stop this nonsense. Do not end net neutrality and stop Sinclair from doing what they want.

—Jonathan Montijo, Dalton, GA

In 2004 Sinclair owned one of our 4 local TV stations. They chose to run the swiftboat smear of John Kerry in primetime right before the election. They are the scum of the earth.

—Paul Bebo, Holyoke, MA

Freedom of the press is one of the things that makes our country great. Take it away and we have Nazi Corporate America. Our country is in enough trouble. We the people don't want this. You are supposed to act in the goodness of our behalf. Not corporations. DONT DI IT. Be one of the standup people that can't be bought or forever look in the mirror on know each morning you sold out yourself and the America we are and the Americans in it.

—Kim Funderburk, Walla Walla, WA

Allowing Sinclair to merge with Tribune is a direct threat to democracy, because it will compromise the objectivity of the news, to say nothing of eliminating the competition!

—Bill Kaplan, New Haven, CT

This merger is abominable and goes completely against the law.

—Kristina Cliff-Evans, Philadelphia, PA

We need to maintain these limits on media ownership in order to avoid state-run media like what we see in Russia. Please cancel the Sinclair merger!

—Carl Pellegrini, San Francisco, CA

The FCC must protect our Democracy and stop this merger. Time for Americans to make moral decisions for our country and freedom!

More TV consolation only fuels less transparent government and corporate opportunists short term high living before our grand kids get cooked by climate change.

—Ray Bellamy MD, Tallahassee, FL

NO to Sinclair-Tribune merger!

—Elizabeth Songalia, St. Paul, MN

This cannot happen. Ajit Pai will not get away with this. There will come a day when the people of America will put this man in prison for attempting to dismantle the frameworks of this country.

—Ms. Chris Casper, Stevens Point, WI

You have to do things because they are right, not simply because you can do them.

—Al Cohen, Hummelstown, PA

This isn't North Korea! We don't need another Trump slanted Propaganda station. Besides, it would upset Trump's Bestest friends at Fox.

—Kyle Kleckner, Berkley, MI

This would prove to be the first giant step in the US becoming a third world dictatorship with huge numbers of Americans believing everything but the truth.

—Bill Lingle, Novato, CA

How much is Pai, other bureaucrats of FCC, financially making off this? Do you have the guts to divulge this and any offers for jobs after your "service" in government?

—T Jeffries, Bend, OR

No Sinclair monopoly, no Sinclair merger!

—Jeff Mankie, Woodbridge, VA

We need more competition not less. Just look at the other companies that have been allowed to merge. One example are the oil companies, when they let them merge we lost a number of refineries so the price of gas went up not down, plus there are shortages of fuel when we have natural disasters. Letting this merger go through will give one company too much power over the airwaves so that the citizens can not make an informed decision.

—Joe Martyniw, Saint Louis, MO

We need media that reports the truth. Sinclair is just a propaganda station masquerading as news. We can not let this continue it will destroy our democracy and our country.

—Kate Mullan, Panama City, FL

Stop this corporate takeover NOW!!!! We don't need a state propaganda machine!!

—Susan Vogel-Hudgins, Gambrills, MD

This is a monopoly of the news, in every sense of the word. Everyone deserves a chance to view a diverse selection of news programming. There's enough "fake" news out there without adding pure "propaganda" to the menu.

—Gertrude Crowley, East Falmouth, MA

This is beginning to sound like Germany in the 1930s: the so-called news becomes dominated by propaganda. It spells the end of democracy and the end of America as we have known it. Please do not subject us to Sinclair and Fox dominated "news"!! Thank you.

—Louis Richard, Bainbridge Island, WA

We deserve diversity. We deserve different opinions reaching millions of people. We deserve freedom of the press. Please protect that. This merger verges on unconstitutional!

**THIS MUST NOT HAPPEN! This is PROPAGANDA at its WORST - NOTHING "Fair and Balanced" here! DO NOT ALLOW THE SINCLAIR-TRIBUNE MERGER!**

—Dave Garfield, Firestone, CO

If this were a major liberal news conglomerate, I'm sure the FCC would stop it in a heartbeat. News monopoly from either side would be wrong and dangerous to a "well informed citizenry's" ability to make informed decisions. Please do not allow this merger to go forward!

—Julia K Beckman, Darien, IL

Stop the merger. We need to hear lots of voices in a democracy,so we can choose the best one.

—Nancy Lynn, Emeryville, CA

Restore the Fairness Doctrine!

—Michael McMurtrey, Carrollton, TX

S T O P THE SINCLAIR-TRIBUNE MERGER! TO CONTROL MORE THAN 70% OF THE U.S. TV MARKET - ARE YOU KIDDING? There are already Sinclair programs insinuated into what is identified onscreen locally as an NBC network station but was acquired by Sinclair three years ago. TRANSPARENCY? "The FCC would have to slash nearly every existing media-ownership protection to force it through — A MAJOR SHIFT THE AGENCY IS MAKING WITHOUT A N Y CHANCE FOR PUBLIC COMMENT"!! AND S T O P MUCKING ROUND WITH NET NEUTRALITY, TOO!

—Jl Keith, Providence, RI

NO State Run Propaganda System EVER!

—David Pugh, Strasburg, VA

As if Trump needed more outlets to spread his backwards ideas...

—Eric Mort, Warren, MI

This is wrong and shameful. You are helping to further the creation of state run TV.

—Madhu Ragupathi, Dallas, TX

I get MORE than enough of the racist-misogynist-so-called president on TV. "He" has less than a 40% popularity rating. Why waste a TV station on him where he can spread more lies. Fox News puts out enough lies. 75% of what comes out of trump. Trump TV would destroy the country--or at least what's left of it. s mouth is lies. Who needs more?

—Catherine Kleinsmith, Colorado Springs, CO

please

—Juan Diaz, Miami Springs, FL

Propaganda is NOT news!

—Susan Alley, Indianapolis, IN

I will flat-out REFUSE to watch a station featuring Sinclair news. It is inherently dishonest and should in no way be rewarded or allowed to spread!

—Thomas P. Gardner, Keokuk, IA

We Don't want this Sinclair deal, as it's a huge monopoly!

—veronica Schweyen, Hyattsville, MD

This proposed merger will damage the interests of Americans. It must not be allowed to go forward.

—Bill Russell, Atlanta, GA

The nation needs an open media. Consolidation, especially giving the loudest and most preponderant voice to an extreme right wing company would damage our credibility as a nation, as a democracy, as a source of freedom. I URGE you to stop this merger, which is no one's interest but Sinclair's and Mr. Trump's.

—Sheila Kolodny, New York, NY

It is a sad statement about our Government if the FCC allows State run television.

—Anne DeMaria, Pembroke Pines, FL

Impeach trump. Drain the swamp

—Kathleen White, Sequim, WA

The only thing saving our fragile democracy at this point is freedom of the press. Please block this deal and work on regulations required news programming to be fact based!

—Michele Renée, Eugene, OR

This "monopoly/merger" would undo all the broadcast freedoms remaining. No Sinclair!

The only thing I can think of to add is: "WTF, dude? What can you possibly be thinking??"

—Michele Combs, Syracuse, NY

Holy crap Ajit. Is there an end to your FYGM bootlicking? You are basically a piece of human garbage. hth.

—J Kragie, Des Moines, IA

This isn't "North Korea" and we are not going to let you turn our nation into a autocrats dream!

—Jerry Giefer, Windom, MN

I have gotten in touch several times to relay my feelings on this merger. It is a wrong-monopolizing merger with our freedom of open information. THESE are the mergers that have got to be stopped for the protection of consumers. Do you not find it appalling that 90% of the wealth is owned by the 1% in our country? These mergers making monolithic power in the hands of a few is not where our country wants to go & certainly not what America was intended to become. We are many--PLEASE consider this plea to keep Sinclair in check--keep our freedom of press & information FREE FROM MONOPOLIES!!!!

—Deborah McCoy, Portland, ME

We don't want to be subjected to the lies of Trump, let alone allowing him a megaphone in the form of Trump TV. No to this terrible betrayal of a deal!

—Patricia McRae Baley, Las Vegas, NV

**NO! Our MEDIA must be free of ANY & ALL MONOPOLIES ! NO MERGERS! NO merger of the right wing station and it's demand for local anchors of local tv stations BE FORCED TO READ THE "NEWS" that is prejudiced RIGHT WING news and MISINFORMING THE AMERICAN PEOPLE!**

—Nancy St Germain, Warwick, RI

I wasn't brought up in a totalitarian country and that's what this smells like. Don't allow the merger.

—Mr. Glenn Crespo, New York, NY

Whatever happened to the idea of protection of consumers?

—Leslie Beall, Aurora, IL

—Carla Jackson, McDonough, GA

consolidation of media is the beginning of tyranny

—Oliver Lu, Lancaster, PA

This merger is not at all in the best interests of our democracy.

—Thomas Larsen, Beaverton, OR

Honestly, I don't want political propaganda to be mandatory viewing, and that's what is happening by these huge mergers. Especially in light of Trump's attack on the free press and net neutrality, I don't appreciate narrowing down whose points of view we get to see. I want to see and decide for myself what has merit and what doesn't. The far right and corporatist private interests already have too much control of our viewing content. Bring back the days when the evening news was a lost leader!

—Andrea Robinson, Madera, CA

No government-sponsored fascist propaganda TV can be allowed to exist in the United States of America. That is bad for democracy and bad for competition.

—Ms. Carol Ortiz, Montgomery, TX

**NO TO MONOPOLISTIC CORPORATE TYRANNY SMOTHERING FREE EXPRESSION!**

—Eileen Hunt, Rochester, NY

Hitler would have loved this...

—Mike Larkin, Schnecksville, PA

Don't be a Facist

—Val Sanfilippo, San Diego, CA

I live in Chicago. Allowing this merger will mean one of the few independent media voices we have left here will disappear, replaced by an unabashed biased media company seeking to peach its owner's view point. Pleaser did not allow this to happen.

—Daniel Kelber, Chicago, IL

Urgent!

—Stanley Palombo, Rockville, MD

Terrible idea

—Charles C Marye, germantown, MD

What happened to the moderates in the USA. We have to speak out. News shouldn't be slanted too far right or too far left.

—Richard Amidei, Highwood, IL

To claim this does not violate the concept of a monopoly is absurd. Protect the interest of the people and their local media!

—Marilyn Brown, Matthews, NC

Sinclair must not be given a competition-killing pass to monopolize the public airwaves with its one-size-fits-all reactionary propaganda machine.

—Mr Craig P Markham, Dundee, OR

This terrible deal will limit free speech to a terrible degree! This is a terrible deal! Please do the right thing and do not allow it to go through!

—Linda Marshall, Philadelphia, PA

Honestly! It is hard to believe you are considering going here! It's like you all are the Grinch and the Joker rolled into one!!! Deny the Sinclair- Tribune merger!!

—Dianne Bryant, Yuba City, CA

No no no! No propaganda from them!!!

—Cate Renner, Dayton, OH

The continual consolidation of media giants is a disservice to the spread of genuine news, leading to narrow-band concepts of "NEWS."

—Dr. Joseph W. Brownrigg, Santa Fe, NM

This is really a question of freedom of the press. Will it be a Trump monopoly?

—David Ball, Northampton, MA

America has been flooded with Trump's fake news. He uses the media as a magician uses a pretty girl to keep your eyes off the shell game. Sinclair would just be another case, like Trump's voter suppression, of changing laws to insure this lunacy continues. Unlike the Russia sanctions, I'm certain Trump will jump on this right wing bandwagon because it will insure an even broader spreading of the Trump administration's fake news and constant lying that these media 'saturation' laws were meant to prevent. Sounds like it comes from the playbook of Berlusconi, Putin... Trump/Sinclair. Once the GOP gets their tax breaks for the rich the GOP ideologues and robbers will be able to do whatever they can until the US wakes up and sees what Trump allowed to happen on his watch while he was golfing. The US worker will have lost whatever peace even healthcare that costs too much brought, the right to sue, collective bargaining, everything...and they'll only be able to hear Sinclair's version of the events. The need for these protections are greater now than ever since news is mostly disseminated by crackpots, Russians and Trump on Facebook and Twitter. I mean if you don't count the Christian stations. Sinclair would be too big to fail at their assigned task of disseminating even more fake and biased news.

—, Kansas City, MO

I'm appalled at such a challenge to Democracy.

—Ken A Adams, Christchurch,

Please keep our airways fair by limiting mega mergers of media providers.

—Stan Zeichner, Columbus NJ, NJ

FCC approval would be not only be unfair to all Americans, it would push the U. S. further toward a totalitarian state.

—Dennis Rhodes, Olympia, WA

We are currently not under a dictatorship and this merger is nothing more than forcing us to watch political propaganda. If I wanted my mind poisoned, I'd watch Fox news. But I'm way smarter than that

—Darnell Miller, Fairview, MT

There is something good to be said for the ideas behind the former "Fairness Doctrine."

—Robert J. Whitney, Cudahy, WI

This merger MUST be stopped as it undermines the diversity in local stations and the public interest. Sinclair is a Trojan Horse for Right Wing propaganda.

—Veronica Clarke, Ellicott City, MD

"All that is necessary for the triumph of evil is that good men do nothing."

—James Perkins, Los Angeles, CA

It is so sleazy that Ajit Pai is even considering the mega merger of Sinclair. Consolidation of new stations does not serve the public interest and their right to know. Also the fact that Sinclair forces local stations to "must run" segments is unconscionable and should be illegal. Do not agree to this outrageous deal!

—Elizabeth Scarpelli FAAOMPT, San Francisco, CA

**THIS MERGER IS UNAMERICAN. NO NO NO.**

—Wendy Engel, Novato, CA

we do not need Trump TV or a take over of broadcasting by Sinclair. Pai is a puppet for Trump and has already made a move to take down net neutrality. He is for big business not for the people or he would listen to what they wanted....NET NEUTRALITY. Now he wants a TV Station that would control news or propaganda that would promote Trump's LIES and his racist beliefs. No Sinclair-Tribune merger.

—John D. Eder, Provincetown, MA

This is just as bad as living in a country with Taliban who memorize the Koran and chant.....it's called indoctrination. As it is, when my husband and I are driving to Colorado from Illinois, we stop in Truck Stops for lunch. They will NOT turn on one of their TVs from Fox to something different. Not only is this merger like an indoctrination, it's forcing everyone to hear the same message without another viewpoint. If this is approved, I will conclude that this country is being forcefully taken over by corporations and the media!!! It's a cult to boot! BLOCK THIS DESPICABLE DEAL!!!

—joni Lindgren, ELGIN, IL

stop the monopoly before all news is from one source that mimics the government.

—Stuart Riley, Grandview,, MO

Stop and reverse the rise of fascism in America! Stop and reverse the rise of the American fascist capitalist military/police state! Stop the Sinclair-Tribune merger!

—Marilyn Kamcheff, Renton, WA

No to a monopoly. Thank you Teddy Roosevelt.

—David N Drolet, Hewitt, NJ

If my local news station, Sinclair owned, starts spewing Sinclair's message, I will switch stations.

—B Stewart, West Palm Beach, FL

It is wrong to concentrate broadcasting in limited hands. It is a direct attack on free speech and an offense against the principle that monopolies do not benefit the public.

—Gale Oppenberg, West Palm Beach, FL

Monopolies and mergers of huge companies are tools in the hands of would-be dictators. This merger is fascism in the making. Support American democracy and stop the merger.

—Marian Volkman, Ann Arbor, MI

God, you and this regime are like watching the Nazi's take over Europe. How dare you allow this to go through! Lock 'em up and vote them out!

—L Osborn, w. linn, OR

This is the United States of America. We have always laughed at propaganda organs such as Russia Today and Pravda. Why should we have a propaganda organ in the USA? What's worse, why should this government propaganda metastasize into anything like a monopolizing corporation like Sinclair?

—Russell D Ryan, Portland, OR

Surely you can't believe this merger is good for the public. It might be good for the Trump administration and other collections of right-wing oligarchs, but for the rest of us, it stinks. Don't allow this merger!

—Kathryn A. Burns, Austin, TX

Bigger is not better, a single voice does not lead to discussion and every story has two sides. Do not approve this measure

—Bill M Camp, Valatie, NY

We need MORE independent media, not less. We do not want Sinclair forced upon us. This is the United States, not the Soviet States!  
—Elizabeth S. McCloskey, LaPorte, IN

This is absurd to even consider this Sinclair deal. Please stop it now. Francis Stellitano  
—Francis Stellitano, Tequesta, FL

Am I in a time warp? Is this Hitler's Germany? ... or are we still in the US of A? It is, quite frankly, getting REALLY difficult to tell. THIS is unconscionable and I, for one, wouldn't be caught dead - EVER - watching television again if all that was available was ignorant trump propaganda! Do NOT allow one local media company to take over the media airwaves.  
—Pamela Overholzer, Quail Valley, CA

Whatever happened to the monopoly laws. We need fair and balanced news. This merger won't give us that.  
—Richard E Hubacek, Little River, CA

We need more competition, not less. And we certainly don't need what is essentially media dedicated to creating a propaganda for the Trump administration.  
—Patricia Abbott, West Palm Beach, FL

Media consolidation is harming our democracy. Do not allow this merger.  
—Jerry Brees, Marysville, WA

Stop giving into this 71 year old bawl baby. Hopefully, he will soon be in jail or kicked out of the white house he now soils it every day he is there.

—Sam Goldsmith, San Francisco, CA

I beg you to block this awful proposal! Trump TV is the worst idea I have ever heard. Is our country going insane?  
—Mr. Thomas Warner, castleton, NY

We must maintain a free press, and corporate mergers of news conglomerates does not achieve this!  
—Gregg Kleiner, Corvallis, OR

This merger verges on monopoly control of TV news and is antithetical to competition, freedom and democracy.

Stop this consolidation.

—Sharon Beers, Littleton., CO

—Phillip Deem, Conneaut, OH

There is no competition when internet access is monopolized; there can be no free press either. This is NOT what democracy looks like. This is fascism, when the industry insider becomes the regulator. .

—Mr Chrtopher A Carman, Silver Spring, MD

Freedom of the press is #1.

—Diane Kopan, Chicago, IL

We need a FREE PRESS with voices which represent everyone. Otherwise, we may as well have a dictator running the country. Democracy dies in darkness.

—Evan Jane Kriss, SAUSALITO, CA

Trump stooge Ajit Pai follows the GOP blueprint and allows mega-mergers that are detrimental to the public.

—Philip Racliff, Salem, OR

This would be a major propaganda tool for the Predator-in-Chief. We don't need any more of his lies.

—Ronald Lemmert, Peekskill, NY

I am against any merger for Sinclair-Tribune. It would be bad for competition and would put too much power in too few hands. Sinclair “news” promotes racist commentators and forces must-run content on local stations. The FCC must reject this deal.

Enough of this CRAP! ENOUGH!

—Edward P Goretzke, New Florence, MO

If Sinclair merges with Tribune it becomes a monopoly. We still have anti-monopoly laws in this country, do we not?

—Renny Reep, Seattle, WA

Propaganda is just that. Propaganda that not only deceives and rabble-rouses, but is coarse, hate speech, and UnAmerican is even worse.

—Ria Tanz Kubota, El Sobrante, CA

This proposed merger is not good for the American people. Do not approve it.

—Fairbank Donn, Lyons, CO

Approving this merger would put too much power into too few hands.

—Ken C Schubert, MOUND, MN

It's bad enough that he slanders the press, and threatens to pull licenses-now he wants to spew his lies and propaganda with the veneer of "journalism". His tweeting is bad enough! We value our Constitution, and we are guaranteed a free press therein!

—Kate Considine, Camarillo, CA

To do otherwise is scheming partisan cowardice.

—M Struble, Philadelphia, PA

The existing rules help to ensure that local people get news tailored to their interests and concerns. Please do not change these rules and let one media company own more local outlets.

—Rebecca Smith Randolph, Escondido, CA

We hear quite enough from this bloated wind-bag or a pretend president. He doesn't need the Sinclair-Tribune merger to carry his tiny sword of vengeance over the airwaves. Trump can just Man-up and do what other presidents have done for hundreds of years..... His Damn JOB!!!

—Paul Zakrzewski, Richton Park, IL

Stop the spread of this insanity ... WAKE-UP, misinformation is destroying my Nation!

No. No! No!,

—Sandra Speicher, Weston, CO

I consider the current limits appropriate for a community to thrive with freedom of information and the press. I do not want any change that would allow a monopoly.

—Sandra Gordon, Tacoma, WA

Every morning when Sinclair beams their filthy corporate messages into my living room, I scream at the TV, "Nationalize cable TV and the Internet". We desperately need major government intervention to take our airwaves back from the kleptocrats that have bought and sold this country to the highest bidder. Thanks Sinclair and Ajit Pai and others for helping me to become a Democratic Socialist. More power to the government. Starve the corporations.

—Debra A Howson, Bradford, RI

Do the right thing!

—Ronald O. Watson, Capitol Heights, MD

This Sinclair-Tribune merger is absolutely WRONG!! We can't allow 70% of our households to be brainwashed by their propaganda.

—Gary Osland, Laurel, IA

Trump Gang on a Chain Gang.

—Malcolm Moore, Portola, CA

This merger has one goal. Creating a big brother media monopoly to deceive the American people and manipulate and control information. Ridiculous and dangerous to the Republic.

—Iver Johnson, McHenry, IL

We don't need this big liar who is only interested in his own self aggrandizement with this much coverage. This is a monopoly and needs to be stopped.

—David Smernoff, Portola Valley, CA

Don't allow any more mergers.

—L Andrews, Portland, OR

Our government is fast becoming more fascist. Trump tv would just make that so much worse. Take a stand against fascism and deny any move towards making Trump tv a reality.

—Elicia Arwen, Boulder, CO

We want truth in media, not sycophants telling us what to believe.

—Lesley Morgan, Tacoma, WA

You should be ashamed. Let's hope Mueller can include you in the coverup of crimes committed against the United States. This merger, will be one of them.

—Michelle Smith, Gwynn Oak, MD

The increasing Oligarchy is, to quite an extent, in your hands. Please start a powerful move away from monopoly in this increasingly fragile, small 'd' democracy.

—Barbara Caso, rocky hill, CT

any large conglomerate/merger has a cost -freedom

—Janet Smith, Franklinton, NC

The deal would allow Trump propaganda disguised as local news to reach nearly 70 percent of U.S. households.<sup>3</sup> President Trump only labels news as “fake” when it’s critical of his agenda. He’s convinced his supporters that journalists are “enemies of the American people.” That’s not democracy — that’s dictatorship. Cancel this crony-capitalism sham and help protect locally produced news that’s accountable only to the people — not to an authoritarian (little Hitler) like Trump. This kind of merger is anti-democratic (with a small d) and allows the right wing socialist movement (much the same as the one Hitler headed in the 1930's) to manipulate listeners by using Joseph Goebbels propaganda technique of "repetitive Pavlov conditioning". That destroys democracies like in Germany of the 1930's. It's time the FCC put country over private crony capitalistic gain and block this merger.

—John Fix, QUINCY, WA

If this deal goes through, the broadcast medium will not even be worth propaganda value. Everyone will know it's a joke. I have a TV you might be interested in buying though.

—Patsy "truth rules" Shafchuk, New Port Richey, FL

Does Mr. Pai work for another country or for the United States and its citizens?

—John R. Thomas, Jenkintown, PA

**THIS IS COMPLETELY UNACCEPTABLE!!!!!! YOU ARE ONLY ADDING MORE NAILS TO THE COFFIN OF CORRUPT STUPID CORPORATISM!!!!!! WE ARE DONE WITH YOU AND ARE MOVING INTO THE FUTURE WITHOUT YOUR LOUSY ASSES DOMINATING AND MANIPULATING US!!!!!!!!!!!!!!**

If you think the ends (such billions for the billionaires) justify the means, you have betrayed the fundamental American value.

—Dr. John Wiener, Boulder, CO

The last thing we need is more fake news!

—Laura Hanks, Milwaukie, OR

"If the FCC chairman and Sinclair get their way, we'll enter a new era of mega-media consolidation that would put the same cookie-cutter "news" content on every channel and more journalists standing in the unemployment line." That deal, in particular, would allow propaganda disguised as local news to reach nearly 70 percent of U.S. homes. The FCC must resist any media consolidations that would empower any single group or individuals control of the political content and ideology presented to a majority of America and to the exclusion of alternative viewpoints. It would be undemocratic, essentially dictatorial and a disservice to the American people.

—Timothy Wallick, Huron, OH

Monopolies make a mockery of a free and open economy

—Brian Wilkerson, Durham, NC

If you didn't read our messages, the broadcast of Trump TV resulting from the huge Sinclair merger can lessen or even DESTROY our free press that defined this country's democracy. That's even more proof that Donald Trump thinks it's so awesome to play the role of Big Brother in Nineteen Eighty-Four, so he can block any reports he calls "fake news", spy on our privacies, silence our voices for issues, restrict our free speech, and overall make us his spending, suffering slaves, while he gets to say whatever politically incorrect stuff he wants to say through Twitter to the point where our future would be at risk of a global nuclear war (he thinks war is SO awesome). If we the people don't want to be watched, bullied, controlled, and probably even destroyed by a greedy, manipulative, hypocritical fascist, then you have to do something about it. You're the FCC, so you already have the power to fire Ajit Pai, cancel the Sinclair merger, let local media be itself, save net neutrality before it dies, and stop Donald Trump from tarnishing this country even further. Please protect our precious democracy. Do the right thing.

—Robert Toscanini, Staten Island, NY

It is my wish that you block this...it is no different than Kim jung Un having his station in N. Korea. This is fascism!

—Lori Bright, Asheville, NC

There are reasons that there are limits to media ownership. We need stricter regulations not weaker; without media regulation we will sink into a fascist state.

—Jeffrey Eidson, Duluth, GA

Trump will be gone in 4 years, but the people will go on. Do what's right and stop the Sinclair mega-merger!

—Karen Kirchdoerfer, Orefield, PA

Yipe! Stop this horrendous deal. Thank you.

—Carolyn Villanova, Pittsfield, MA

We need competition in a capitalistic society, not monopoly!

—John Ruhl, Flemington, NJ

What is happening to this country, is there no sense of truth or honesty left. We must not put communications in the hand of a few.

—Adrienne Hochberg, Jupiter, FL

A major part of what lowers news standards is the concentration of its corporate ownership into fewer and fewer hands. If you care about the struggle to get at the truth -- which is at the core of any democracy -- then cancel the Sinclair Mega-Merger.

—Scott Sanders, Chicago, IL

RESIST!!!!!!

—Shelly Sherwood, Shoreline, WA

I think we need competition in the market place. It smacks of Soviet Russia when all the media is owned by one outfit. Thank you and God Bless !

—Gordon Heavern, Boulder, CO

FREEDOM OF THE PRESS IS FUNDAMENTAL TO OUR DEMOCRACY. Freedom of the press IS NOT POSSIBLE with the consolidation proposed. STOP THIS MERGER!!!

—Ann C Somers, Brookline, NH

If you need to ask why, there's no hope for you.

Toxic is as TOXIC does! NO Sinclair merger! NO "ChumpTV" (aka TrumpTV aka "ComradeTV")! Stop Mega-Mouth Mergers as propaganda channels! NEIN! NON!

—Michael Phillips, Antioch, TN

—Robin Patten, Oklahoma City, OK

What you are doing is dangerous to democracy, and doing so without taking public comment shows a lack of commitment to your responsibilities. I urge you to reconsider this action.

—Nathan Harling, Redwood City, CA

Sinclair is the Fake News Trump is always screaming about. America depends on honesty in reporting!

—Alison Wasielewski, Fairfield, IA

There is WAY too much media consolidation already and it does NOT serve the public interest!!!

—Bruce Sims, ESCONDIDO, CA

please FCC do your job and stop the move toward monopolization of the news media - you and your children will also suffer without a free and competitive press

—ag Heimert, Winchester, MA

Hitler and his "final solution" got a big leg up when they were able to control the media. Allowing the merger is tantamount to paving the way for Trump to have a majority of media outlets broadcasting the messages he wants. The media, as noted in our Constitution, is meant to be another check on such overreach of power. The proposed merger between Sinclair and Tribune must be denied -- in the interest of our DEMOCRACY.

—Karen Gardner, Pelham, NY

Please help protect our rights to FREE local news and STOP the rules changes that will allow the creation of MEGA news companies like Sinclair.

—Robert Rostohar, Austin, TX

This proposed merger is utter corruption in action. Do not allow it. I can't even believe it is being CONSIDERED. it is nothing but terrible for the public and it must not happen.

—Pan Welland, Florence, MA

Sinclair/Tribune merger is a monopoly and should not be allowed to happen!

—Melhado Gail, Miami, FL

Please don't allow this merger! We need more diversity not less. Many companies in our country are becoming so huge they dominate their market. Break up the huge companies and foster competition!

—Pat Wagner, Averill Park, NY

This is an outrageous form of propaganda!

—Jenny Stephens, Lansdale, PA

We don't need more right wing propaganda flooding the airwaves.

—Therese Hunkin, Fair Oaks, CA

I say that if you don't listen to our communities and block this despicable deal then you are worse than the Russians or Chinese or North Korea because you're an enemy hiding in the shadows like a viper. I'm 70- years old and I've seen a lot of nonsense in Washington of late, and as the 5th generation grandson of Alexander Hamilton I can tell you that all our forefathers are turning over in their graves.

—Bill Hamilton, Wichita, KS

Trump is following the dictator's handbook (and Putin's example) of attempting to control the media, at the outset, which started during the campaign with his "fake" accusations and continues with consolidation of outlets into the hands of the wealthy moguls who support his policies and views. Putin strong-armed control of free media in Russia to the ownership of his close oligarchs, turning it to Kremlin (his) control, and Trump, with his cronies running the FCC and the FTC will do the closest thing possible in America's money-corrupted system, spreading his lies and propaganda to widen and entrench his decidedly anti-American agenda. E-mails to the FCC will probably be ineffective. Strong Democratic wins in the 2018 election can counter or reverse the harm Trump's administration will leave in its wake.

—Malcolm Kantzler, Cincinnati, OH

Media companies need to compete with each other and provide alternative viewpoints. Large controlling interests must be prevented.

—Ronald Rugel, San Jose, CA

Please, FCC commissioners, do what is correct. What I hope is in your hearts. I'm 67 & terrified that our country is mimicking Germany before WWII. Please don't bow to a regime that really doesn't care about regular folks. Look into your hearts. Consider the ethics with which I hope you were brought up. Don't blindly follow Pai/Trump.

—Jackie gauger, Worthington, MA

We need freedom of the press if we don't to end up like Russia and other countries who have dictatorship .

—Patricia Koehler, Pipe Creek, TX

Doubt that any of you are paying attention to the will of the majority of the citizens of the United States. However, I'm still hopeful that you will take the correct position in regard to this horrific deal and stop this merger.

—Sherry Price, Los Angeles, CA

No this is more important than preserving free press!

—JK Deller, Bellevue, WA

We have enough of this type of faux news, we don't need anymore.

The Sinclair-Tribune merger goes against the last 100 years of media regulatory policy, and could only happen due to immense political corruption as it is entirely against the public good, and fully to the benefit of a few. The result will be a fiasco for our democracy and truth and accountability in our media.  
—Randy Hershey, Lawrence, KS

WHY CAN'T THE FCC CANCEL THE SINCLAIR MEGA-MERGER!  
—Ernestine P. Mosley, Orlando, FL

These kinds of monopolies go against the very meaning of capitalism and what it is to be American.

—Emma Lane, Roswell, GA

Defend our democracy. Protect unbiased news sources.  
—Diana Martinez, Santa Paula, CA

Media ownership is already far to concentrated.  
—George Stebbins, Palmdale, CA

This merger may well lead to the same kind of limitation on information that is common in countries where there is a Dictator. We do not want a Trump dictatorship.  
—Martha Thomae, Uwchland, PA

Time and time again, industry across industry, corporate consolidation has proven to be a bad deal for the majority of Americans. The fact that the FCC is even considering this, is astounding. The FCC is supposed to protect regular people, not conspire against them. These limits on how much one company can own protect people. Scrapping these limits is dangerous for our democracy, as it silences different opinions. I strongly urge the FCC to listen to regular people, people it should be representing and block this deal.  
—Taylor Rubart, Bellingham, WA

Allowing another corrupt conglomerate - worse than FOX faux news - is unacceptable. It would behoove you to listen to the people before karma comes back at you.

—Amy Irene Anderson, Kingston, NY

NO, NO, NO to trump tv EVER!!

—Diane Huigen, Spokane, WA

In a democracy, it is hugely important to have many independent news organizations so that people can make up their own minds about the information they received. It is not a democracy if there is a monopoly on news. This merger does not belong in America.

—Bonnie, Warren, PA

News should be both truthful and completely neutral for all sides, regardless of what gender, race, beliefs, or culture. Knowledge is power, and understanding what is really going on, instead of making bias statements, is no different.

—Kim-Lan Hoang, Garden Grove, CA

Please!

—Karen Kasaba, West Hollywood, CA

It sure seems like I've now signed this thing 100s of times or something. Why do we have to keep signing this?? Yes, Sinclair is bad, Sinclair is bad, bad....get us something else here or go away freepress??

—Pat White, Ogden, UT

Stop this takeover and resulting monopoly. Protect our democracy instead of creating "Big Brother" through administrative controlled media.

—Barbara Winner, Arnold, MD

We need to ensure non-monopolies in any market.... brick/ mortar presence and multiple points of view critical .

—Sherri Venezia, Davis, CA

Ajit Pai should be booted out of his position. He is nothing more than a Trump puppet. He is continuing in the vein of all Trump appointees-destroying everything that would protect Americans. Trump and Republicans are trying to reinvent Nazi Germany. Please don't allow this merger to happen.

—Sandra Hixson, Seattle, WA

IF I WANT TO HEAR RIGHT WING LIES I'LL TURN ON FOX NEWS....I DON'T WANT RIGHT WING LIES ON MY LOCAL NEWS OR STATION....NO SINCLAIR MERGER!!!

If you need someone to tell you what is right, you shouldn't be "serving" in the government.

—Patricia Warden, Newcastle, WA

Stop this merger, and LOCK HIM UP!

—Peter Sheridan, Mechanicsburg, PA

This merger would diminish Americans' access to quality unbiased news, which is our right under the constitution, and would play into the hands of far-right ideologues whose interests are not those of the American people. Please do not hamstring the free press with this merger.  
—Michael Heyd, Montoursville, PA

This is dangerous to the American people. This merger would be one more nail in the coffin of freedom. These two companies are far too big now. Sinclair also requires their outlets to spew their right-wing propaganda. This is wrong.  
—Margaret Gooding, Rialto, CA

The First Amendment covers Freedom of the Press, not of the cookie-cutter echo chamber. No station should ever have 70% of the market.  
—Marsha McCroden, Fairview Park, OH

Sinclair-Tribune merger is bad for local communities. I do not support this. Say no to this mega media consolidation.  
—Karen Johnson, Sioux Falls, SD

Not blocking this corrupt deal means YOU are in on it. Let your name be remembered as one of the good guys and block this destructive, anti-American merger!

Do NOT let this man have TRUMP TV. He will only spew his racist, nationalist, rudeness and conspiracy theories while continuing to do his VERY BEST to destroy our WONDERFUL Country. PLEASE BLOCK this deal.  
—Jack Christensen, Cape Coral, FL

We, the people, are being indoctrinated with bogus information whenever it is presented by the GOP/KKK/American Taliban Fascist Party members who have elevated lying to an art form. This GOP/KKK government's reliance on BS and untruths has got to be stopped.

—Wilma King, San Francisco, CA

PLEASE STOP TRUMP AND HIS DESPICABLE LIES/PROPAGANDA!! THANK YOU

—C S, san diego, CA

We are watching closely Mr. Chairman. As it is, today we have very little in the way of original material on the news. It's almost robotic. Creativity is killed when the companies get too big. This is what we have now. Your job is to be sure that it stops, not make it worse. Without a good, strong free press, we have no democracy. Do you want that on your record? Do the right thing now. Stop this mega-merger.

—Joan Gugerty, Baldwin, MD

—Sister Gladys Schmitz, Mankato, MN

This merger is bad for democracy.

—Ms. Alice Leeds, Bristol, VT

This is not a good fit at all. As president Trump would say "everybody hates it."

—Bobbie Knight, Denver, CO

Whatever happened to the anti-trust laws which broke up the AT&T and the Standard Oil monopolies? Is this a different America? An America run for the benefit of the 0.00001% of the richest of the rich? And Ajit Pai is sucking at the same money-tit as all the rest of the whores in Congress?

—Christopher Lihou, Charlottesville, VA

"Variety is the spice of life" or, in this case, of the news. Monopolies in media are the deadly hallmark of suppression of freedom of information, speech and thought. Serve the nation. YOU HAVE A GREAT RESPONSIBILITY to protect American democracy by NOT allowing the Sinclair-Tribune merger.

—Sally Arscott, Los Angeles, CA

I have no confidence you'll do the right thing. Your friends want this. Prove me wrong - cancel the merger.

Open exchange of information is the life blood of just and equitable societies. Despots monopolize information!!

—William H White, Fort Walton Beach, FL

Keep public news stations community centered! The right leaning must runs negates the purpose of public airwaves originally established by the FCC. The Sinclair-Tribune Merger places too much power in the hands of one Broadcasting company denying diverse viewpoints to be heard.

Hitler Germany. The people were told what to see, what to say, what to think. There are many on the right who view this as personally advantageous to themselves. Themselves trump everyone else. It's a Republican brain set, hardwired to take.

—Kate Pollard Sparks, Boulder, CO

This is wrong. This merger must be canceled.

—Martin Margolis, New York, NY

We do NOT NEED or want a propaganda station! Americans want facts, not one-sided, biased, bigoted fairy tales that benefit only one group. STOP THE SINCLAIR mega merger!!! Don't allow American democracy to unravel under propaganda and half truths! We do not want to be further divided. United we stand, divided we fall! Save America!

—Susan Masaracchia-Roberts, Vernon Hills, IL

**CRUSH THE FASCIST trump/pence administration, NOW!**

—Jeremy "Citizen Pariah" Serwer, Seattle, WA

The only good that's ever come from media consolidation is old Loony Toons being able to mock other Warner Bros. productions. But those were cartoons. I would not want my media informed and produced by one company, no matter how good their jokes are. While Sinclair is not yet close to being a monopoly, the Tribune merger would bring them a lot closer to it. This merger should not be allowed.

—Sean M Cleary, Mechanic Falls, ME

We need more than one voice

—Gordon Gottbeheit, Nekoosa, WI

I'm sorry, but the airwaves STILL belong by right to We the People! Not corporations, not politicians, not Ajit Pai, and especially NOT the Resident of the White House.

—Janet Tice, Chapel Hill, NC

We should never be like a fascist country with “Trump TV”. Never. Save our democracy.

—Karina Marwan, El Granada, CA

This is literally a fascist tactic. Remove all opposition in the news and brainwash the population with news praising you and spreading more propaganda against those who oppose you. You want to know who else did this and does this? Hitler. Stalin. Putin. Kim-Jong Un. How can you allow this? How can you even dare say you're American if you let fascism run in this country? This is restricting the free press, given to us on the Constitution.

—Britton Yeatter, Cleona, PA

We need to keep the free press so that we can get the truth, Trump doesn't know what the truth is and that is very sad! :(

This is not a media or news outlet, it is a propaganda arm of the alt-right and neo-Nazis. It must not be condoned.

—Roxanne Schwarz, Lockport, IL

The Sinclair-Tribune merger is paving the way for an authoritarian regime. Do not undermine our democracy, which is what makes America great. Deny the merger.

—Maryellen Redish, Palm Springs, CA

We need to be dismantling these mega-corporations, not allowing them to consolidate further.

—Charles Hernandez, North Hollywood, CA

My favorite TV station was bought out by Sinclair. The propaganda that was being spewed by Boris Epsteyn was appalling and frightening. I felt as though I was living in Nazi Germany. You can not allow this company to expand.

—Jean Athaide, New Bedford, MA

This is a propaganda organization that is going to be the size of a conglomerate. I also want truth standards as other countries have.

—Linda Gillaspy, Reno, NV

The proposed merger would be anticompetitive and would further reduce an already dangerously low level of diversity in coverage of news events.

—George G. Stradtman Jr., Elkins Park, PA

I want choices. I do not want Trump tv shoved down my throat. I can't begin to imagine any American wanting trump tv or anything by Sinclair mega merger!

—Lynn M Ketchum, Madison, WI

Trump TV is nothing but lies, to think that Trump says that the news is fake? Well Trump is nothing but a lie, FCC, I do not want Trump TV. We urge to listen to communities and block this despicable deal. Trump IS treason! We want you to stop Sinclair from mega merging that nonsense

—Erick Perez, Los Angeles, CA

One media corporation should not be allowed to monopolize the news on the majority of local news broadcasting stations across America.

—Ron Ardia, Littleton, CO

This is a freedom of the press issue. What happened to our country's rejection of monopolies?

—Shaila Van Sickle, Durango, CO

Seriously ??? 1984 !!!!! When the GOP-Nazis / zion-Nazis / jew-Nazis control the mass media and the 'entertainment/gaming' (distraction / brainwashing / manipulation machinery) .... along with the drug ('pharmaceutical') industry ... is it any wonder America is drug addicted, and obsessed with 'games' and anything BUT (actual) reality.

—Frank Blankenship Bacharach, Lewisburg, WV

the sinclair merger should not be allowed to go through so that the stations can put out views that look like news. it would be giving them a monopoly on owning media outlets in the same region. i want my local news to remain local and not with someone's political, very subjective slant.

—Spencer Burdge, Hanover, NH

Please block!!!

—Marion Marsh, Elm grove, WI

In essence this action would be against part of the First Amendment to the Constitution: no prohibiting freedom of the press.

This is a horrible idea that comes along at a bad time.

—Daniel M. Davis, Minden, NE

You have been given the people's trust. Allowing mergers that create monopolies are clear threats to free press and democracy.

—Jean E Toher, Asbury Park, NJ

In a recent Congressional hearing that welcomed the newest member to the FCC, Mr Pai established that the Sinclair merger has many benefits for Americans. Yet Mr Pai also acknowledged that the local, high quality TV Station is nearly extinct. Yes they are nearly extinct because of monopolistic evolutions like the Sinclair merger. All localities, all municipalities would prefer to have local programming that REFLECTs the needs of their community—with people working @ those local media stations who are actively living with them & sharing-in that community. Big mergers of our media systems (radio programming, TV stations, PBS, et.al) null-&-void the “community” empowerment for broadcasting.

—Umar Bell, Whitefish, MT

I have no way to say how reprehensible and dishonest this Sinclair bunch is! Their effort to control the airwaves is right out of the Russian playbook!

—Angie J Unruh, Aurora, CO

Lock Trump up!

—Paul Seeling, Spring Valley, WI

If you have any loyalty to democracy and a free press, block this merger.

"Ma BELL" had to be split up in the early 1960's; don't make it a necessity to bust up a FAKE News organization run by anti-Americans so that truthful news media can prevail.

Leave the limits on how much local media one company can own!

—Anne Clorite, SAN DIEGO, CA

Cancel the mega merger of sinclair NOW!

—Mary Mobley, LIVE OAK, FL

Local media can only be called local media if it is produced **LOCALLY**. Local publishers and broadcasters **MUST** be the ones that make the call on what stories are given priority in an area. To let one company own not just one local media's entire market but nearly all local media markets across America is wrong. We don't deserve propaganda.

—Allison A. Broesder, Marshall, MN

Please let the people speak. This **IS** a democracy we have ...isn't it?

—George Edward Spillers, The Villages, FL

Stop the Trump TV!!!

—Maria Urena, Elmira, NY

The importance of our long-standing media ownership limits cannot be overstated. Lack of competition is bad for business, and worse for the public good. Please maintain (and strengthen) the existing ownership rules and block the Sinclair-Tribune merger.

—Matthew Bendert, San Diego, CA

Local news should not be biased these people are watching Sinclair stations and don't know what biased lies they are being feed

—Lana May, Mount Prospect, IL

Wow! please stop this in it's tracks.

—Scott Lesniewski, Jamaica Plain, MA

There has already been too much consolidation of the media

—George Anderson, Alexandria, VA

We need more diversity in media ownership, not less, and I'd feel the same way if Daily Kos was buying all these stations. The Tribune monopoly was bad enough; don't double down on it.

—Al Bonowitz, Huntington Beach, CA

In this democratic country we must have MORE variety in reporting, NOT another mega-merger. NO Trump TV in my house.

—K N Berg, Ontonagon, MI

We need more truth in the media, not more fake news.

—Elizabeth WardDonahue, Midland, MI

I do not want cookie cutter news: that's what the Sinclair merger will bring. It'd be like living in Russia—all news but only if government approved. I do love BBC news but local is nice: just don't make it cookie cutter.

—Shawn Troxell, New Braunfels, TX

One news source leads to control. That is not what America needs of wants. Please do not let that happen!

—Vivian Dowell, Medford, OR

For goodness sake, under no circumstances should Sinclair be allowed to wield such enormous power and influence. Shame on all who would permit such a travesty to transpire!

—Bruce Mulock, Arlington, VA

We shouldn't have to tell you this. You should know rampant media consolidation is wrong and undemocratic.

—Jeanine Center, Ann Arbor, MI

Talk about UnAmerican activities - the FCC Commissioners who vote for this are enabling a coup d'etat against the First Amendment.

—Frank McNeil, Boca Raton, FL

The FCC CHAIRED BY AJIT PAI demonstrates it continues to be a captured agency. If there existed a functional constitutional republic in the US, Pai and Trump would be in jail.

—David Beebe, Petersburg, AK

"Freedom of the press" does not extend to allowing consolidation of our media into a single entity that would take over more than 50% of the local television station news across the country! That's the type of situation our federal government and most Americans have long have criticized in dictatorships and 'banana republics'.

—Janet Gillmar, Honolulu, HI

NO MORE MONOPLIES!!! The FCC is SUPPOSED to represent the interests of the PEOPLE!!!

Block this merger!

—MaryKay K Rodarte, Phelan, CA

The Sinclair-Tribune merger is a bid for a communications monopoly and this goes against unbiased news gathering. If this merger is allowed there will be no free expression and no open source news. —Miss Billie Abbott, Sweet Home, OR

Mr. Pai, if you violate the mission of the FCC, violating standards for a diverse and honest media which are needed for a free and truth-oriented democratic form of government, YOU will be guilty of harming our country, seriously. Despicable. You are a monster.

—Lynne Holden, Eugene, OR

Enough is enough. Doesn't any one with a shred of power give a damn about our Democracy, it's people and values? Donald Trump should be sent into exile. You know, like Napoleon!

—Jeff Ball, Sacramento, CA

This plan to eviscerate longstanding limits on how much local media one company can own is dangerous to democracy.

—Laura Biasci, Tampa, FL

The airwaves belong to ALL AMERICAN CITIZENS. Chairman Pai is effectively stealing the assets of ALL AMERICAN CITIZENS so that a few wealthy and well-connected THIEVES can steal directly from the American people. THIS MUST BE STOPPED!!!!

—Joe Cooper, Austin, TX

The attempted merger of Sinclair and the Tribune is a blatant illegal attempt to control the media with over 70% saturation by one provider. NO NO NO!

—Karin Schumacher, Denver, CO

These companies are getting too large. Freedom of the press is super important!

This media merger is bad news, literally. Too much power in one company to control the public airwaves will severely cut down on the diversity of programming. Please stop it.

—Carol Squires, San Leandro, CA

NO monopolies!!

—Dedra Smith, Boulder, CO

This is a really bad idea, that will give a small number of larger companies the ability to control the information people receive.

—Dr. Susan Caswell, Paauilo, HI

I am no fan of Hillary Clinton, but she was right about one thing--you look like a band of "deplorables."  
—Michael J. McAinsh, Salt Lake City, UT

This merger is un-American as it would silence the individual voices in the smaller cities and towns of this country.  
—Melissa Peckinpah, Santa Cruz, CA

'Nudge nudge wink wink' this one at your peril. Consider Rev. Martin Niemöller's words about passing the responsibility to others. Play with Nazis and become a Nazi: "First they came for the Socialists, and I did not speak out— Because I was not a Socialist. Then they came for the Trade Unionists, and I did not speak out— Because I was not a Trade Unionist. Then they came for the Jews, and I did not speak out— Because I was not a Jew. Then they came for me—and there was no one left to speak for me." No much worse than cowardice in the face of abject evil. Don't be that guy.

It is despicable to whitehousewash people with black lies of all is perfect when the truth is Democracy is being taken over to kill it by Trump, placing heads of departments only to destroy the departments created to safeguard the electorate. Inside subliminal means of destroying democracy are Trump's main agenda. Stop Trump TV dead in its tracks now!

We have too few independent news sources and we don't need to take up after Berlusconi.  
—Charity Hardison Moschopoulos, Annandale, VA

This is some 1984 stuff.

—Chris McCully, Northampton, MA

Noooo! This can't happen. A democratic nation cannot sacrifice freedom of the press if freedom is to stifle. How shall the people govern ourselves without accurate balanced coverage, and presentations of a variety of perspectives from those with solid information rather than propaganda. Please preserve the right of citizens to hear accurate information and right to come to his or her own conclusion.

—Jane Lovelady, Lake Oswego, OR

American corporations have been in violation of anti-trust law for decades without any consequences. This is NOT democracy. This is corporate facism. DO YOUR JOBS!

—Kathleen Hopkins, Oakland, CA

the FCC must protect the citizens and now allow this merger, it only works for the 1%

—Mrs. Donnasue Jacobi, san andreas, CA

Freedom of the press is protected by the First Amendment. The press are a check on our democracy. Putting out propaganda and calling it truth and everyone else as fake is disgusting wrong. Get real. This is our country. Trump has plenty ways to communicate with the American people. It does not need more. We do not need a never ending Trump show with mostly propaganda from our dishonest current POTUS. Please cancel this merger and keep some sanity in our current news sources. Thank you for reading this.

—Steven Andersen, Laytonville, CA

This deal would further lessen the critical thinking skills of an already dumbed down population.

JUST SO YOU KNOW, I WILL MAKE SURE AS HELL THAT 45 TV DOES NOT MAKE INTO MY HOME! IF IT DOES I WILL PROUDLY NOT WATCH IT, AND WILL STAND TO SUPPORT "NO" TO COWARD 45 TV. TRUMP, PACK YOUR BAGS AND GET THE HELL OUT OF THE WHITE HOUSE!!

—Matthew Nelson, Milwaukee, WI

Please don't give credence to this horror-show of a network just because someone has the money to do it. This would be the first step to undermining freedom of the press which actually reports the news instead of making it up. Which I'm beginning to believe might just be the reason it's even being considered! Our country is currently in desperate need of more varied voices not fewer. That's the true front line against fascism and the difference between it a democracy.

—D Roberts, Seattle, WA

Please don't let wealthy corporate sponsors start deceiving us even more and even more easily than they already do!

—Laurie "Ryan" Norton, Durango, CO

—Ron Edwards, Lyons, KS

You need to come down on the right side of history and STOP the merger of Sinclair and Tribune. We need more diversity, not less! ENOUGH with the right wing control all of the time. Trump is coming unhinged and he and his cronies will pay the price for what they're trying to do to America. Don't be one of them; rule against Sinclair and side with the people!

—Noel Orr, Shoreline, WA

Our cities and states need more truthful news and commentary, not more right-wing alternative truth garbage! Give everyone what we get with public radio, truthful news, stories from real people, regional and state news. People's lives are busy and difficult enough to not have to fact-check what we hear on our radios and TV's.

I not only OPPOSE the Sinclair mega-merger; I think the previously allowed mega-mergers should be reversed and big telecoms be broken up. The Fairness Doctrine and the strict limits on owning multiple radio and TV stations that we had until the 1990's served our nation well.

—Stephanie Stout, Houston, TX

No monopoly power

—William Schaffer, Las Vegas, NV

Stop propaganda TV

—Marc Tetu, Manchester, NH

Changing longstanding rules to facilitate the Sinclair merger is wholly unacceptable and not in the best interests of Americans. Sinclair does not practice objective journalism. They are a right wing propaganda machine.

—David Fiedler, Bensalem, PA

Why would this even be Necessary?

—Tanner DeShong, Lonaconing, MD

Monopoly! The implications of this are far reaching for all media, not only TV. A thriving democracy needs competition in all fields, be it media or any type of politics. Americans need to be exposed to many view points and freedom of the press was one of the founding Idea of this nation. You can not have a free press with a few companies controling the airways.

Monopolies are making Predatory Capitalism the form of the economy. Walmart, the largest employer in North America, pays minimal wages for 20-hour a week jobs, because it can. It's a monopoly. —Ron Kaminski, Patchogue, NY

It was the ill-advised dumping of the Equal Time and Fairness Doctrine in the 'eighties that gave us 30+ years of hate radio and fake news that ended up giving us Trump. Don't make things worse with this latest idiotic attempt at "deregulation."

—Russell Stein, Cocoa, FL

Like Trump you seem to be seem to care what is said about you. Trumps associates have been shown to be in collusion with Russia. Are you too?

—Don and Leslie T Bush, Cherryfield, ME

Can the FCC and its determination to destroy U.S. democracy totally and completely go any further than it has already? Can the position of FCC Chairman descend any further into the abyss as it is now doing with Ajit Pay at the helm? Chaiman Pai is repugnant to me and millions of other Americans who value free speech and want to protect the nation from the tyranny of greed! DO NOT allow Sinclair to kill local TV in favor of creating a mouthpiece for an abhorrent fascist government!!!!

The proposed Sinclair merger would create a monopoly -- creating a clear and harmful bias in the news information flow, reported to the American public.

—Donald W. Henderson Ph.D., Ithaca, NY

This is appalling. Let's not mince words: this is a monopoly, pure and simple.

—Morgan Craig, Philadelphia, PA

A well informed public is vital to a secure democracy. We need people to have access to facts and accurate information, not propaganda. Remember that some day it might not be your point of view that is in control. Then you will wish you had thought this through a little more.

—Rebecca Cummings, Unicoi, TN

We need more diversity in traditional, non-internet media--not less. Many older and poorer Americans have rely on traditional media. They should not be propagandized into one way of thinking.

—Benita J. Campbell, Burgettstown, PA

Serve the PUBLIC interest not the corporate interests!

—Raymond Kalas, Columbia, NJ

Due to Sinclair forcing local stations to air right wing propaganda, I can only receive one local channel for unbiased news

—Dan Rivet, Traverse City, MI

Concerns about the credibility of Sinclair as a news source aside, the FCC exists to protect consumers and businesses from the sort of damage a single massive media conglomerate can do to local areas. These local holding limits are there for good reason, not only to prevent an entire state's local broadcasting to be controlled by some entity with questionable special interests, but also to prevent that same entity from collapsing entire swathes of other broadcasters with monopolistic control over the airwaves.

—Stefan Terry, Charlottesville, VA

Keep diverse opinions available to all communities by limiting the number of broadcast and print outlets that a single company can own in a single newsmarket.

—Judith Peascoe, Vienna, WV

If any channel airs Sinclair propaganda in my town, that channel will be blocked from my home, period. The rules against media consolidation work and there's no reason anyone who believes in competition would try to eliminate them. You're supposed to work for the American people, not the lobbyists and corporations.

—Bee Anderson, Nashville, TN

The FCC is a government regulatory body responsible to the citizens of The United States. Believe me your job is not to cater to corporate deals and mega mergers. This is not Nazi Germany! This is The United States of America! The people will hold all treasonous action accountable! We will be coming for you, once we are done with the Putin Puppet President!

—William Poirier, New Salem, MA

hi fcc do let trump put this on tv stop him don't let ruin media or internet stop please before he does some worst

—Chad Hayden, Brockton, MA

Beware of unintended consequences. You may think you're just helping Sinclair, but eliminating media ownership limitations will undermine the democracy you depend on to keep the economy vibrant, competitive, and growing. And we'll blame you.

—Faith Rogow, Ithaca, NY

We don't need him on TV with his lies and bigoted talk. Isn't it enough he is our unstable president.

—Peggy Ricci, Corinth, NY

We don't need "State" run T.V.

—Jerrad Heath, Joplin, MO

The concentration of information in the hands of large media conglomerates does not serve the PUBLIC interest.

—Joe Project Manager, College Park, MD

Your job is to ENFORCE the law, not change it to benefit your rich cronies. The Sinclair merger with Tribune would create a monopoly on "news" that would be toxic to any news monopolists don't want the public to hear.

—M O'Brien, Savoy, IL

This is unconscionable to consolidate and give such a monopoly over our local news stations. There is no benefit to allow one company to own a controlling amount of all local news stations, thereby having the ability to control what separate and distant regions hear and see with their own paid for non-objective stories. Please protect our local communities news stations from being part of a monopoly.

—Deja Lizer, Asheville, NC

Block this ASSHOLE from everyones TV. Get rid of this dick taster.

—Bruce Hartman, Cape Coral, FL

The 1996 Telecommunications Act was disaster- it started the ball rolling for consolidation and the destruction of pluralism in our mass communications. It destroyed the classical music stations and led to the downfall of culture to this horrible junk that we hear on the music stations today. We urge the FCC to heed Lippman's and Benjamin Franklin's warnings: keep the mass media pluralistic and unconsolidated to keep democracy. We do not need propaganda. We must keep mass media free from consolidation.

—, Jenkintown, PA

Sinclair is a propaganda machine, not unbiased media. This behavior needs to be eradicated, not encouraged. Protect American communities from this abomination! Thanks much for all you do in the best interest of all Americans, joe.

—Joe S Samples, Austin, TX

News should not be monopolized. One control , only one point of view. Nazi Germany Joseph Goebbels (1897-1945) Hitler's Propaganda Minister said "Those who control the press controls the country"

—Ms. Ann Napolitano, Freehold, NJ

**STOP THE MEGA-MERGER OF BROADCAST GIANTS THAT PROMULGATE HIGHLY "POLITICAL" STATEMENTS AS NEWS!**

Ajit Pai is despicable and I will remember him long after he is out of the Trump administration.

—Forence Baranek, Marlton, NJ

Democracy and free speech are at stake.

—Janet Carrato, Neptune, NJ

The restrictions on ownership within a market were put in place for good reason. Keep them in place.

—Lexow Grant, Alexandria, VA

Freedom of the press means nothing when there is one source of news, only.

—Dennis Chretien, Foster, RI

Protect freedom of speech not monopolies

—William Chavez, Sacramento, CA

Please serve the American people and protect their access to community based local news.

—Jonathan W. Clapp, Harwich, MA

Is Chairman Pai trying to set up our media to be like Russian media where only one company or the government owns all the media? Sinclair provides little news as a company, like the Inquirer, when it comes to news there is very little content and mostly entertainment. Maybe Mr Putin wants it this way? But why should Voting Citizens have a say, when our government is for sale to Billionaires like Robert Mercer? If we claim to have fellowship with him but walk in the darkness, we lie and do not live by the truth. 1Jn1:6

—Dawn Stanko, Dublin, OH

No more FAKE NEWS!

—Susan Detato, Brownington, VT

For once try using reason and fairness and not just being a sycophant of Vladimir Trump. When he goes down, you will be removed too

—Susan M. Tocha, Alden, NY

Whatever happened to the ban on monopolies?

—Ms. Rose Riker, Sioux City, IA

God damn Sinclair media is trying to establish a private monopoly. It must be stopped.

—David Starr, Westbrook, CT

We have enough problems with Fox News as is: we don't need a worse problem with Sinclair or that proposed merger with Tribune. And at least of all we don't need to hear about pro-Trump propaganda and pseudo brainwashing balloney or garbage.

—André Marier, Westbrook, ME

This is a possible merger that will result in diminishing free and open reporting by many--NOT the tailoring of the news to a censored reporting. The truth must be free and unfettered.

—Earl Stevens Ph.D., Severna Park, MD

No more mega-mergers. They are already making our country unstable.

—Lynn Musgrove, Ithaca, NY

This is so fucked... Ajit Pai should be dismissed if he follows through on this or he should worry that these very same people come for him as I am thinking, that some on the Trump team will not think of him as "white". Besides this is anti-trust territory all the way. One person to ruin the country's ability to have an assured even News platform across the country. Again this is anti-trust stuff...

—Parker Berg, Tijeras, NM

Will you ok a deal for Putin to have his own platform in the U.S. next? Who are you. How do you have the right to make these moves without congress?

—Sandra Holt, Casselberry, FL

This is absolutely the WRONG direction for the FCC to move. We need more regional control, not less; limits on station ownership, not sold to the highest bidder; and a restoration of the Fairness Doctrine. This mega-merger is against everything a truly free press stands for and must not pass.

—Linda S Frayer, Cleveland, OH

this is a no brainer. we need more owners of various media not less

—Cindy curran, bowdoinham, ME

C'mon now do something before the US looks even more like the novel 1984

—Albert Horcher, Rockville Centre, NY

I thought that their were laws to PROTECT US from this sort of BULLSHIT! We have the RIGHT to a FREE and INDEPENDENT PRESS! Are WE going to have to have another revolution to PROTECT OUR RIGHTS?

—Randal James, Mingo Junction, OH

Sinclair Media's power to control the message would be impressive, although horrible. Can't let one company with an agenda control that much local news.

—Andrew Webster, Rochester, NY

Ajit Pai has been put in place to destroy the free and fair media. The merger proposed by Sinclair would become a major propaganda voice of the present government.

—Margaret L Collins, Denver, CO

This is just one more example of berserk highness. Please block it and others like it. Thanks.

—Stephen Sedlak, Canal Winchester, OH

Our family has lived in the Chicagodefender.com area for 3 generations. And while we sometimes differ on politics, none of us want this monstrous merger to go through, or to live in a society where one powerful corporation could own & control all forms of news & media in our local community! Stand up for the current rules. Defend our democracy.

—Jacqueline Leavy, Oak Park, IL

STOP the LIES and CORRUPTIONS! for a Dictator take over

Cancel the Sinclair-Tribune merger. It is not the best interests of an informed citizenry.

—Jane Tufts, Chicago, IL

The Airwaves belong to the People Not Corporations and Certainly not Propaganda machines. Do your job and protect the American Airwaves. No Merger!!!

—Shana Schwartzberg Brayton, Silver Spring, MD

Trump and his cohorts have been actively engaging in acts to divide the country and pit everybody against each other because separating everybody into "Us vs Them" is the only way he was able to win the 2016 election. A true fan of "fake news" and a lover of anybody who is willing to bow down and kiss the ground he walks on is what Donald Trump truly is, he cares only about his image. Allowing "Trump TV" would only further plunge the US into more hatred and distrust of one another, it would undermine the actual facts that are reported on the news when natural disasters happen or life changing policies are made and taken away. His picks and appointees have shown time and time again that they do not work to serve the best interest of the public at large, they serve to make the overgrown child playing president happy and quiet about them on Twitter. Everything that Trump and his people want is only to further line the pockets of big business and the Trump family; they deserve nothing.

—Andrew Kennedy, Goshen, IN

The Sinclair merger is in direct violation of our democracy's principles in that it tilts power in a way that endangers public access to diverse media. Sinclair is using this as a means to spread political messaging, and that needs to remain in the advertising sector, not disguised as news. Do your duty and protect our communities from this insidious attempt to infect news with political messaging. We the public will not stand for this.

—Elizabeth McClure, Phoenix, AZ

Stop consolidation.

—John Bromer, Black Mountain, NC

I feel that we need to have many voices with different ideas. When we have fewer owners we have less opportunity to weigh different positions and form our own opinions. Have we forgotten that we are a democratic government? Please work to keep it so.

—Diana C Dickerson, Hayward, CA

No merger! Se Bell Telephone's dismal past!

—Doug Simmer, Austin, TX

If our democracy is to function on all levels from local to municipal, to regional, to state and federal we need access to local and community information that reflects popular concerns. Don't let Sinclair and Ajit Pai gut this access!

—Mickie Lynn, Delmar, NY

Stop the Sinclair mega merger

—Madelyn Ferguson, Miami, FL

You are in a position to stop the spread of fascism in America. You guys really need to do this for the betterment of society.

—Richard Dorfner, Sunnyvale, CA

Cancel the Sinclair Mega-Merger!

—Jim Thomas, Chapel Hill, NC

THIS IS "NOT" RUSSIA FOLKS!!!!!!!!!!!!!!

—Lynn Clark, tenino, WA

Cancel the Sinclair Mega-Merger! We must keep our elections free, fair, and honest! Do not favor a dishonest, extremist president by disseminating incorrect, severely biased information.

—Joan Maples, Midlothian, VA

In addition, this proposed merger makes monopolies legal -- or at least brings us closer to that unAmerican fact. And as media companies play a vital role in our democracy, it makes no sense to limit competition -- the main component of a healthy American economy -- and place so much reach into the hands of so few. If anything, you should be breaking apart large media companies to foster competition on the local level and add voices to the media storm that millions of Americans see every day. Again, I urge you to block the Sinclair-Tribune merger. Thank you for your time and attention to this vital matter. We will be watching your actions.

—Mark Bloom, Asheville, NC

Dictators' first acts are to destroy freedom of the press, which is exactly what this merger is attempting to do. DO NOT ALLOW THIS TO HAPPEN. Our democracy is at stake here.

—Jan Thomas, Murphysboro, IL

IF there are any among you who are not shilling for corporate destruction of the free press, stand the fuck up right now. You serve the American people, not Verizon or ATT&T (these are corporations, NOT people, in spite of the fascist rhetoric)

—Jeff Campbell, Houston, TX

WTF!

—Skip Vena, Woodland Park, CO

No TrumpTV for me, thanks.

—Stan Zaske, Peoria, IL

This proposed merger is frighteningly similar to the events in Germany a century ago. Do NOT go there! Please!

—Edwin Martin, Burnsville, MN

This is something I and many of us don't want see and that should be left up to the current networks to provide us with the news. I surly not a active watcher of Trump and his mess or propaganda which seems to divide the nation with a lot of hate. So I agree to block this Sinclair-Tribune merger.

—Zedrick Miller, La Mesa, CA

It is necessary that citizens stay informed -but how can they if media is undifferentiated? Clearly, Ajit Pai must be in the pockets of the oligarchs. prevent cookie-cutter content; preserve heterogeneity in media!

—Kevin Leveret, White River Jct, VT

We don't need less diversity in the media outlets. This merger will give control of over 72% of the news and tv stations to one right wing company that mandates outrageous hate based statements to be read during the news broadcasts. These statements are meant to be read as legitimate news stories and disseminated to a gullible public that will believe them. Propaganda has no place in our news outlets and this merger is just plain wrong.

—Gavi Stevens, Largo, FL

Television should not tell you what to believe you should get the news and decide

—Mary Hawkins, Columbus, OH

Do not allow this to go through!!!

—Elizabeth Crocker, Grand Rapids, MI

I've seen snippets of Sinclair TV and watched Sebastian Gorka and Boris Epstein spew hateful and untrue rhetoric. It is unthinkable to allow them into 70% of local news stations. We are already experiencing the brainwashing of America with fake news. Our press is essential to democracy and Sinclair should not be allowed to dominate the airwaves.

—Lorraine Shirkus Moore, San Antonio, TX

Block this "deal" of Sinclair/Tribune merger.

—Jeffery Young, Rochester, NY

Your agenda is a crony capitalism sham. BACK OFF NOW!!

—Kameron Victor Tive, New York, NY

Trump has made a mockery of truth and should not be permitted to have access to Trump tv, really the truth and our democracy will be the victims

—Becky D Wharton, Bastrop, TX

In our home, we have daily, first-hand experience with Sinclair-infected "news", and therefore shudder to imagine an exponential growth of this garbage: NOT IN THE PUBLIC INTEREST! Sad

—Mary E. Stone, Montague, CA

We do not need another propaganda channel. STOP this merger.

—Ms. Eileen Corrice, Painesville, OH

The antithesis of free speech is the melding of varied voices into a single powerful amplified source which drowns out all dissent.

—Phil Pandol, Mountain View, CA

Deny Sinclair-Tribune

—Joanne Quesada, Elk Grove, CA

Rules and regulations exist for a reason, and relaxing them can be a bad idea, as is the case here. What mass media needs may be more rules rather than less rules, given Sinclair's media track record has been far-right propaganda, and actual fake news. The long-term negative side effects will be much the same as releasing Internet Service Providers from Title II.

—Marshall Winslow, Richardson, TX

Mr. Pai, you will go down in history (but not in a good way). Don't allow this.

—Colleen Johnson, Seattle, WA

We know better.

—Rachel Cullar, Oakley, CA

You guys at the Trump administration are assaulting our democracy and ignoring the will of the people. If you really love America and democracy (which you don't) you will stop these corporate takeovers of the marketplace. Unfettered capitalism leads to corporatocracy and oligarchy!

—Dave P. Margolis, Buffalo Grove, IL

FCC please cancel the Sinclair mega-merger and shield local news from Trump's dangerous agenda.

What's in your wallet?Obviously, you're getting more money from someone besides the American people. As they say, you can't fix stupid.

—Judith Oswood, Wenatchee, WA

This merger opens the way for state-run TV, in direct opposition to our democracy. I urge the FCC to keep its media protection rules in place, both for this merger and any other.

—Emily A Warren, Solon, OH

Hell No!

—Melvin Taylor, Sacramento, CA

**BLOCK IT!!!!!!!!!!!!!!!!!!!!**

—Roy Simmons, Orlando, FL

This is an important issue. Flooding news channels is tantamount to "brainwashing". If you can't hear anything but the siren song of the Trumpeters, you are locked out of society.

I'm for local voices and against all forms of tyranny and dictatorship

—Tom Allnutt, Eugene, OR

And regardless of what Sinclair chooses to air, bottom line, limits exist for good reason in a democracy: say no to Sinclair in this.

—Alisia Ives, Portland, ME

Another corrupt power-grab to gain control over broadcast news media. This is a very sinister development and runs counter to American values as embodied in the U.S. Constitution. Cancel the Sinclair-Tribune mega-merger. We need freedom of the press and other media, not state-controlled media like Russia has.

—Jean A. Thompson, Kennebunk, ME

Absolutely NO!

—Susan Terra, Aspen, CO

Do not let their limits be removed on how much local media one company can own. Please no TRump TV. So similar to Hitler take over of the media!

—Nanci Felice, Austin, TX

This is a horrible thing to occur. This is going to be the closest thing to state ran media ala Putin and the Kremlin that the American people will be subjected to. This administration lies all the time. Fox enables this and Sinclair would exacerbate the problem. This is not fair and balanced. This is pure propaganda. This cannot stand.

—James Pomeroy, Papillion, NE

The FCC should not allow local and independent voices to be drowned out by bullies.

—Kenneth Ruby, Salem, NH

Please consider the country, to which you pledge allegiance. 20th century wisdom assured no one media outlet would dominate any area in the U.S. and with good reason. We are, by the definition of a democracy, a nation of many interests and points of view. In order to interact as one nation, interests and points of view must be shared. If Sinclair's merger with the Tribune is approved, the FCC will abrogate its duty to maintain pluralistic airways and further fracture our potential for understanding of each other and the compromise required to be the "United States." It is your duty as an American, Chairman Pai, and your obligation to the agency you oversee to do what is best for the survival of our nation. Your ruling will be one of the most critical to the future of our country. Politely decline Sinclair's application. Please.

—Jodie Felice, Midlothian, VA

Our predecessors recognized the danger of allowing businesses to become monopolies. Allowing communication business to become a monopoly is ten times more dangerous to our democracy. Please block this despicable deal.

—Judith Rehder, Knoxville, TN

We are heading for a fascist communication system that spews slanted news to spread misinformation.

—Kayron Garstka, Sherwood, OR

The Sinclair mega-merger must NOT occur.

—Jim Phillips, Sonoma, CA

The government is supposed to prevent and/or break up monopolies.

—Donald Gene Gilreath, Williston, FL

This country has too many far right propaganda outlets as it is. The American people need alternative sources of news, real news, not alternative facts (lies).

—Allan Thorne, Tukwila, WA

This is a bad idea. I am totally against the Sinclair merger.

—Frances Johnson, Danville, KY

If you have any respect for the importance of fair and varied sources of information do not permit Sinclair to spread.

—Bill Harris, Portland, OR

Impeach Trump AND Pence for treason NOW!!!

—Joseph Magnano, stroudsburg, PA

Why can't you be on the side of average people just once, Mr. Pai?

—M Wessels, Aptos, CA

I strongly urge the FCC to cancel this intended mega-merger. No single company should ever have this much influence over local news, especially a company as nakedly political as Sinclair Media. This isn't a matter of left or right wing politics but a matter of maintaining the ability to keep free speech free across the board, and allowing a private company with close ties to any government to do what Sinclair plans on doing is too close to having state-run media for comfort. It would be akin to allowing a man like Sean Penn or Ted Turner to have outsized influence over what the public sees and hears regarding things like Communism and the like. Everything about this plan jeopardizes local media impartiality, and I strongly beg whoever will listen to find their rationality and not cave in to the whims of millionaires.

—Steven Wilkins Hohenthaner, Huron, SD

It's just so hard to believe that the US has actually become a third world country, still richer than hell but a third world country nonetheless when you consider the politics, policies, and budgets. We might as well rename the FCC to the Propaganda Commission, it's what it has become under the "leadership" of Ajit Pai.

—Kelly McConnell, Tigard, OR

We already have more than enough Alt-right, conspiracy-theory rabble rousing

—Greg Nelson, Gallipolis, OH

Dear Chairman, Please do not let this happen. this is not good for American. Free speech is important to me and my family, my community and to all. Thank you

—Mary Gaesser, Rochester, NY

This cancellation is urgent and critical. Our democratic society and culture are incompatible with this attempt to remake in America a 21st-century version of Nazi Germany and the USSR..

—Karen E. Fields, Henrico, VA

Our local Seattle KOMO4 station (ABC) has already been acquired by Sinclair and afterward I immediately noticed a slanted, biased approach creeping into local news. The "must-run" segments with commentator Boris Epshteyn are particularly troubling, although I agree that segments labeled as "commentary" are protected by free speech laws. Still, I don't see any effort to show opposing viewpoints, which would be good journalism. We cannot subject the country to such biased news reporting!

—Julie Holtzman, Snohomish, WA

Great thanks, from informed citizens like my family and friends, to wise leadership who will stand strong for protecting complex civilization from monopolies that serve the forces of greed, soulless corporations and their insatiable operatives among the pathocracy.

—Napita Nanette Ippolito, Ashland, VA

Say "NO" to the Sinclair Merger !!!!!

—Judy Nickerson, Roswell, GA

If the current efforts to media ownership consolidation are successful, via Trump's minion Pai on the FCC, democracy will be DOA. THIS and all mergers should be blocked.

—T J Thompson, Gig Harbor, WA

This merger creates a huge monopoly and as such is unacceptable.

—Andrea Hairston, Florence, MA

Protect us from forced propaganda. Allow a variety of outlooks and local channels. The airwaves should be public, not corporate controlled. Give us some choice.

—Dolores Boutin, Tuolumne, CA

We don't need more big money corporations getting more power over the FCC.

—Gary Gall, Cambria, CA

I will stop any support of any Sinclair product. The Sinclair products are part of the russiabupican based and Greed based supporting the super rich agenda. I would NEVER allow this merger. I would break up the Sinclair strangle hold on way to many markets.

—N Avery Litin, Minden, NV

Experience has taught us that when big merge w/ even BIGGER companies -- that's BAD NEWS for the consumers!! Don't let this happen!!

Since President Trump, was elected, he started the fake newscycle phenomenon and continues to perpetuate it through the TV and radio airwaves. Please do what is right. America needs you.

—Mr. Jonathan Magee, Batavia, OH

Sinclair-Tribune merger is a threat to our Democracy and Facts. I will not accept a propaganda machine like Fox or Trumputin or Sinclair into my household, or brain. They are liars, bigots, racists and I will not tolerate fake fake factless information to be spewed over all of our airwaves like Hitler, Putin and the Turkey Dictator. I won't accept this trash. I will not let America be taken down the road to the DARK SIDE.

—Deborah Balasko, Sparta, MI

This merger is completely unacceptable and not conducive to democracy. It puts too much power in the hands of too few.

—Gretchen, Gahanna, OH

Please deny the Sinclair merger with Tribune.

—Devin DiLibero, Hermosa Beach, CA

Didn't check every detail, agree with sentiments that lessening the number of service providers in the marketplace at the expense of the consumer is not a good idea and actually against the apparent belief of capitalists that competition is generally good for the marketplace. Maybe I am missing something here. I believe "unbridled" capitalism tends to morph into something nasty, as I have seen often in my lifetime and often lately in various acts of Congress.

you cannot have a free market in goods, services or ideas when one organization has (near) monopoly. It has always been bad. See: last guided age, and Teddy Roosevelt

—Bill Jeffrey, Campbell, CA

The last I heard, the people who work for the US Government are there to act for the good of the American people. Did you ever hear about that when you were appointed? This merger is NOT good for the American people. We are already light years behind other countries in our communications, because they have kept thinking forwards — for the benefit of their citizenry. Try doing what's good for the PEOPLE you serve, not the corporations.

—Roberta McNair, Gig Harbor, WA

This administration is garbage and I can't believe that Pai's agenda hasn't been shut down already. Do the right thing for once!

—Jeremy, Roxbury Crossing, MA

NO. I don't want Sinclair to foist propaganda at me, and I do not want public officials who are supposed to represent the public's interest, selling out to monopolists, racists, oligarchs and orange-tinted incompetents who are clogging public offices.

Please. At this rate, the US won't be running on a democracy anymore. It'll be a dictatorship. Where citizens aren't free to speak their mind, where the televisions only broadcast news that the leader wants the people to see. That's not right. I beg of you, listen to the people. We need you.

—Brenda James, Vero Beach, FL

We don't live in the Germany of the 1930s, and we don't want to. Keep competition alive and limit media corporations from dominating any market. Life is not about the almighty dollar. Americans are dedicated to "life, liberty and the pursuit of happiness," not the pursuit of profit at all costs. Keep all media organizations, especially Sinclair, on a short leash. Keep the limits on how much local media one company can own. If this were ever critical, it is absolutely vital in the age of Trump, Murdock and Sinclair, people and companies that have no respect for or use for the truth.

—Mike Dorcey, Emporia, KS

This is blatant suppression of free press.

—Claudia Wold, Seattle, WA

We are not Russia. Or China. Or N. Korea. But we're getting close if this isn't stopped.

—Judith Ivey, Berea, OH

NO State tv we do not live in a communist country!

—Lori Hallifax, Beaverton, OR

WTF? Now the treasonous Russian tools aka the republicans are building the "Pravda" network!! NO WAY!

—Nina Garfinkel, Woodmere, NY

This merger is bad for our democracy.

—Francis Lattanzi, Bowie, MD

Stop the Greed! That's right: Trump's FCC chairman is fast at work getting rid of anything that could block Trump TV from reaching the majority of U.S. households. If you can imagine such a thing, Sinclair is actually worse than Fox News: It hides in the shadows, forcing trusted local news stations to air "must-run" segments featuring some of Trump's closest aides and advisers spewing racist and Islamophobic rhetoric designed to fuel hysteria

—Rick Foster, Altavista, VA

Congress shall make no law ... prohibiting the free exercise ... of speech or of the press; Amendment 1, Bill of Rights, US Constitution.

—David Jansson, Chico, CA

Sinclair insists that networks insert an opinion segment into their news program. I have watched previous segments like this and they are to get watchers to believe that fraudulent statements, in these "opinion" segments are factual news. This goes totally against our first amendment.

—Marlea Shirley, freesoil, MI

Keep the limits on media ownership which are in place to protect America's freedom of the press.

—Andrea Browne, Staten Island, NY

This is absolutely ridiculous. We need to get rid of these morons.

—Kevin Peet, Creswell, OR

Vote No on this merger

—Bonnie Lipton, North Hollywood, CA

No more bullies like Trump

—Roman Avila, New York City, NY

Please allow a public comment period so the American people can inform you of what a terrible idea they think this is.

—Mr. Garrett Holl, Grand Rapids, MN

Also known as "RTV"- the Putin channels! This is what Commie dictators do to take over a democracy- MEDIA FIRST!

—Joann Butkus, chicago, IL

This merger is a horrible idea. Local news media should be free to broadcast local news, and people should not be forced to watch only the news that has been dictated by a monopoly. Freedom of the Press is one of the most important freedoms in the United States. This proposed merger would undermine that freedom.

—Patricia Frederick, Ashburnham, MA

This is an attack on Freedom of Speech and Freedom of the Press. It will undermine our democracy.

—Joan Christensen, Intl Falls, MN

Welcome to fascist USA. Cha-ca-ching\$\$\$

—Gary J. Jones, Joliet, IL

Sinclair is actually worse than Fox News: It hides in the shadows, forcing trusted local news stations to air “must-run” segments featuring some of Trump’s closest aides and advisers spewing racist and Islamophobic rhetoric designed to fuel hysteria. This deal would allow Trump propaganda disguised as local news to reach nearly 70 percent of U.S. households.

—Sharon D’Amico, Kirkland, WA

Stop this merger.

—Louise Knapp, Boulder, CO

Not only is this merger not a politically sound one, it gives less choice to viewers. Please do not approve the merger!

—Marcia, Kingston, WA

Cancel the Sinclair merger and keep the Internet open!

—S Burnell, Los Angeles, CA

Independent media is more important than ever right now, and allowing it to be smothered under the wight of big media would be yet another blow to our struggling democracy.

—Saundra Hodges, Castro Valley, CA

Block this right wing fascist deal!! There's enough right-wing propaganda on tv and radio now. It's ruining the country!!!!

—john Guerrero, Louisville, KY

This should be a no-brainer. Media consolidation must end!

—Adam Janke, Oliver Springs, TN

Stop the Sinclair merger!

—Rick de Pinho, Warren, NJ

Trump is an ass whole, but then, what's new.

—Jesse Turner, Vancouver, WA

The purpose of the FCC is to REGULATE and prevent monopolistic and unfair advantages. Media companies need to be SMALLER and have LESS of a national footprint!

—Michael Attan, Sterling Heights, MI

Bring back the fairness act.

—Ms. Alison Mcrae, Buriem, WA

Stop this monopoly NOW!

—Terry & Peggy Parks, Anoka, MN

Protect us

—Doris J Ashbrook, Richmond, IN

Allowing this merger isn't the act of a democracy, but the complete opposite. This merger is for people who actually hate democracy and \*love\* autocracy. They love to \*use\* democracy; to 'run' it for their own rotten purposes. It's morally wrong, doesn't serve the people and would be better suited for a country like \*RUSSIA\*! It's especially \*douchy\* that you're not accepting public commentary on this merger. That says everything.

—Mark Shanahan, Dearborn Heights, MI

This is so disgusting, why is it even under discussion!!

—Harry North, Brooklyn, NY

This abuse of power must be stopped

—Jenifer Renzel, Aptos, CA

I'm sick of all the hysteria in every TV broadcast.

—Joseph A Mulligan, Seaford, NY

Do not be complicit with this attempt at media monopoly.

—Dr. Jan Edward Garrett, Bowling Green, KY

No on this merger

—Tina zarro, Redondo Beach, CA

Do n't let this happen. CANCEL the Sinclair mega-merger. There's enough fake news the Trump circus circulates as it is.

—Julie Crum, Manhattan Beach, CA

Maybe they could set up tv stations for Trump in prisons, where, hopefully, he and his buddies will be residing.

—Ann deLorge, Augusta, GA

**BLOCK THE DEAL! TO PASS IT ENCOURAGES IMBALANCE AS WELL AS PROPOGANDA.**

—Joseph Birney, Morro Bay, CA

**MONOPOLIES NOT ALLOWED!!! NO MEGA MEDIA MERGERS!**

—Barry G Cohen, Brewster, NY

Application of the obscure rules that solely benefit this untimely, and questionable merger are beyond objectionable. Decisions need to be made with integrity that protect the market place and user. Sanctioning of this merger will skew the delivery of information to those whom only view local network news. The merger should not be permitted to continue to promote authoritarian overtones.

—Christine Mosquera, Cranford, NJ

this is a HUGE problem! Please don't allow our communications to be unduly influenced by a single perspective.

—Paula Barksdale, Hermosa Beach, CA

Please spare us from this.

—Raina Schally, El Granada, CA

**REJECT this dangerous merger!!**

—Wanda Guibert, San Juan Bautista, CA

This is so very very wrong....it will destroy independent thinking!

—Marilyn Davis, Evanston, IL

No more mega mergers. Let's bring back the anti-trust legislation and enforce it to the fullest extent of the law.

—Eugenia A. Patterson, Poulsbo, WA

NO TRUMP TV!!!!!!!!!!!!!!!!!!!!!!

—Karen Haase-Gray, Basking Ridge, NJ

Please STOP this merger and keep our Free Press, FREE!

—Dorrel Atteberry, Northridge, CA

The Sinclair-Tribune merger must not be allowed. Local media should be local, not owned by any one group which has the power to enforce what is shown on its local news stations.

—Jenny Hunt, Basking Ridge, NJ

NO to Merger!

—Joann wedin, Wonder Lake, IL

No company should own tv stations that reach 72% of the American people, force their stations to run extreme right wing political segments and manipulate regulations to pave the way for this merger.

—Patricia Sodalak, Basking Ridge, NJ

I love my country and our dream of Democracy. Please help us protect our American values not sabotage them. We are not yet a dictatorship but the Sinclair Group's influence could push us closer to one. Please stand up for what is right about our beloved America. We stand for the truth, not propaganda. THANK YOU!

—Jamie jeffries, Santa Cruz, CA

STOP THE SINCLAIR TAKE-OVER OF THE NEWS. Whatever happened to anti-trust?? Use it now to stop this lying corporation from taking over 75% of the market.

—Beverly Foster, Wayne, PA

No trump, alt right tv on pbs. Please keep it sacred with real journalism

—Leslie Dondarski, Long Valley, NJ

No more monopolies

—John Freeman, San Juan Bautista, CA

No merger! The less we have of Trump access the better.

—Pam Skillings, Easton, MD

FCC - do NOT allow this merger to happen!

—Mason Hoeller, Basking Ridge, NJ

Allowing this is a terrible idea.

—Kathy soltwedell, Manhattan Beach, CA

Stop this media takeover by propagandist, Sinclair.

—Susan Blubaugh, Milford, NJ

The merger between Sinclair and Tribune will fuel more fear, more hate, more divisiveness, more polarization, more White Supremacy, and more prejudice. It is therefore UnAmerican and morally unconscionable.

—David Boyle, Chester, NJ

I think it is un-American to allow this mega-Merger with Sinclair broadcasting to go through. It promotes the very foundation of the US society by allowing a propaganda outlet such as this, to control local news airways an many communities.

—Parisa Hakimzadeh, Basking Ridge, NJ

Additionally, with 70% of the market covered, Sinclair should be considered a monopoly.

—P Guslani, Los Altos, CA

Block this merger!

—Mary Fiorello, Hackettstown, NJ

This is a TERRIBLE idea to allow this merger to proceed. Eli

—Eli Olsen, Chico, CA

This merger is very bad and must not be allowed. Thank you.

—J Stufflebeam, Oregon City, OR

Protect the freedom of the press in all its forms.

—F Hammer, San Francisco, CA

Stop it.

—Bob Adler, ,

We need to go back to the days of impartial journalism and holding our media up to the standard of reporting facts and truths - NOT PROPAGANDA.

—Christine Thoma, Basking Ridge, NJ

Of everything, this is the worst

—Todd Lentz, Philadelphia, PA

This proposed merger is outrageous and dangerous. It must be canceled!

—Kelley Mauerman, San Clemente, CA

This is a bad deal for America -we will blame the failure of our democracy on people like Ajit Pai and organization like the FCC. For their actions in creating a wide-spread network of propaganda news that push the door wide open to tyranny, they should be hauled in front of Congress and charged with treason.

—Brenda Sheeder, Long Valley, NJ

Do you really think we will watch this BULLSHIT? Someone please shoot this cunt dead for all our sanity.

—One of the people you serve, ALL, NY

NO TRUMP TV. We do not need anymore of his racist, bigoted, hateful talk. Or anyone who supports him.

—Jenny Speal, Basking Ridge, NJ

This deal concentrates the message to one side and flies in the face of free speech. Local news must not be controlled by mega corporate media! Shut this deal down!

—Grace Soltis, Easton, MD

What about the competition that Republicans keep touting as the way to keep prices down. Decide which line of bull you're selling, and quit lying to us. We don't want monopolies!

—Marge Shelton, Swannanoa, NC

Stop this latest blatant attempt to undermine a most critical foundation of American democracy: freedom of the press.

—David C Jeffrey, El Cerrito, CA

Trump TV is like merging your M&M's together; it just doesn't work.

—Noah Rodriguez, Mendota, IL

This for NAZI/KKK TRUMP? Stop supporting his NAZI-ism and human being HATING and VIOLENCE and CONSTITUTION raping and COMPLETE LIES 24/7. Stop supporting the agenda of the PUTIN/RUSSIA/TRUMP TEAM..to literally turn our country into a RUSSIAN TERRITORY DICTATORSHIP.

—Deborah Green, columbus, GA

I urge FCC to block the Sinclair-Tribune merge. I want the local TV stations to remain independent from the influence of the corporate forcing the TV stations air the “must-run” segments that includes terrorism alert desk, some of Trump’s closest aides and advisers spewing misogyny, racist, Islamophobic, anti-immigrant, antigay, and antitransgender rhetoric which is designed to fuel hysteria. I object this mandate that Sinclair currently impose to their current TV local stations. This would lead our country to become the new North Korea/Russia, which the local news media is controlled by the owner that forces the news station to run propaganda segments aligned by the owner’s political views, which this owner’s known political views is far right. I will not allow this at all! I strongly believe the local news stations should stay independent from the influence of the owner’s political alignment. This is how the local TV stations should operate and it is successful for many years in keeping our democracy in this country. If the Sinclair-Tribune merge go through, I will lose my trust my own local TV stations. I do not want Sinclair-Tribune merge to be approved at all! Again, I urge FCC to block the Sinclair-Tribune merge. Thank you for your time reading this brief, but important comment.

—Reyes Preciado, Santa Clara, CA

We absolutely do NOT want opinion reporting replacing objective reporting. Sinclair and Fox News is opinionated reporting.
