Request: Extension to file the 2016 Bear Form

Reason:

Grand Rapids Child Discovery Center lost their administrator (John Robinson) during the Bear form submission window. GRCD just hired his replacement, Lisa Heyne. We are working on the process to create her new account as the Authorized Person for the EPC and BEAR site.

This is not a large amount of funds, but for a small district like GRCD every penny counts.

Please consider opening the 2016 Bear Form window so that Lisa Heyne may submit and finalize the 2016 funding year.
