Re: Ex Parte - FCC Docket No. 92-77 Compliance Plan

Dear Ms. Searcy:

Yesterday, I filed a letter with this office outlining AT&T's modifications to its December 23, 1992 Dialing Instructions Plan. The purpose of this letter is to correct a point in paragraph number 3. The second sentence should read as follows: "In addition, all call active card holders will receive replacement cards containing the new dialing instructions beginning mid-March."

Please contact me if you have any questions.

Two copies of this Notice were submitted to the Secretary of the FCC in accordance with Section 1.1206(a)(1) of the Commission's Rules.

Sincerely,

Robert H. Castellano/cs
