Dear Office of Secretary:

I am writing to request that you please stop the censorship planned on the Pro-Life advertisements by restricting their air play to the 12 midnight to 6 A.M. time slot. It would be an infringement on the "Freedom of Speech" that we all hold so dear. I could help you find a lot of other garbage that is so freely aired on our television each day for the young and old alike to see put in that time slot. I do not find the Pro-Life advertisements offensive -- I think we all need to appreciate where we came from and our children a little more. Murder, Rape, Sex, and Abuse are played without any limitations, but something promoting a position upon which our Constitution was based is considered wrong and not to be viewed by the majority of TV viewers. Does this make sense?

In closing, I would like to once again say how strongly I am opposed to censoring these Pro-Life messages. I also plan to write my local TV stations that are currently airing these advertisements to thank them for having them on during day and evening hours. I ask you to seriously consider this decision and I thank you for your time.

Sincerely,

RE: MM Docket #92254/#92486

Dear Mr. Gross,

My reason for writing is to express my concern in regards to the MM Docket #92-254 that would limit political campaign advertisements to have the freedom to be able to air material that would be considered 'indecent' from the media's viewpoint, such as, film clippings of aborted fetuses, at prime time, but would force them to air on 'safe harbor' time, midnight - 6:00 am.

Mr. Gross, there is great concern this petition would create *discrimination* based upon religious beliefs. For instance, Mike Bailey, a former '92 candidate, was able to air his stance against abortion by showing clippings of aborted fetuses. Should the MM Docket #92-254 take effect, this would give an unfair advantage to opposing political rivals and create a bias in an already tilted political arena. Christians that are running for office, would be open to the mercy of the media on what is considered 'decent' or 'indecent'.

A perfect example of beingat the mercy of the media' is the refusal of WAGA-TV, Atlanta, Georgia to air Mr. Daniel Becker's (candidate for Congress in the Ninth District of Georgia) 30 minute political program "Abortion in America: the Real Story". Mr. Becker was denied his 'reasonable access' to broadcasting facilities that is in effect under Section 312(a) (7) of the Communications Act. WAGA-TV also denied their obligation under Section 315(a) of the Act not to censor programming aired on behalf of political candidates.....all in the name of 'indecenty'.

"Indecent" is used to describe a word or action that is grossly unseemly or offensive to manners or morals. Indecency can then be used to depict commercials with sexual connotations in perfume commercials, such as "Calvin Klein", or the "Seinfeld" show that aired a 30 minute program on masturbation at 9:00 pm, or "L.A. Law" that repeatedly airs sex and violence, or "Donahue" that performed a homosexual wedding between 2 men and allowed them to kiss and discuss their sex life, and the list could go on to create quite a volume of entries. These few were listed to reveal that ***"indecenty" is not the issue, but the struggle in the power for control in regulating moral issues.*** Mr. Gross, please deny petition MM Docket No. 92-254 for it would deny our constitutional freedoms that have already been established.....thank you so much!

I am writing to voice my concern that the FCC will be ruling shortly, on whether or not pictures/videos of aborted babies may be used in the campaign ads for candidates running for Federal offices. Although these pictures/videos are gruesome to look at, the fact remains that abortion has gruesome consequences. Someone always dies. I believe that it is within the guaranteed 1st amendment rights of a candidate for Federal office to express their personal beliefs during a campaign, in the manner that the candidate judges necessary, in order to reflect these beliefs. There are many of us who believe that abortion is murder, and continue to work for its ultimate demise, however politically incorrect this position may be. Please continue to support the guaranteed rights given to us by the United States Constitution, even if we do not agree. I ask that you will rule to continue to allow that the pictures/videos of aborted babies can be shown in campaign ads by candidates running for Federal offices.
