Dear Ms. Dortch,

On October 31, 2019, Anne Swanson and Timothy Cooney of Wilkinson Barker Knauer, LLP, representing Garmin International, Inc. met in person with the following representatives of the Office of Engineering and Technology: Julius Knapp, Ira Keltz, and Jamison Prime. Joining the meeting by telephone were the following: Rashmi Doshi, Ronald Williams, George Tannahill, Brian Butler, Aspasia Paroutsas, and James Szeliga.

In the meeting we discussed the FCC's pending consideration in the above-referenced proceeding of a process for provisional certification of radiofrequency devices subject to equipment certification, including possible confidentiality measures associated with the process. In addition to addressing the public interest benefits of the proposal, we discussed administrative changes needed for implementation of such a provisional certification program.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket. If you have any questions about this filing, please contact the undersigned.

Sincerely,

/s/ Timothy J. Cooney
