Re: Letter of Appeal of Funding Commitment Decision Letter for funding Year 2018, issued 04/20/2018.

Dear Sir or Madam:

I am submitting this letter of appeal regarding E-rate FY 2018 funding request for Internet Access services, on the grounds that, a ministerial/clerical error occurred during data entry of the Form 471 application and a line item for \$525.00 MRC was accidentally omitted from the application.

Appellant Name:	e2e Exchange, LLC
Applicant Name:	P C M Community School District
471 Application Number:	181007988
Billed Entity Number:	131938
FRN:	1899012489
Service Provider:	Mediacom Iowa LLC

The issue in this case boils down simply to this: The omission of a line item for the monthly recurring cost of \$525.00 for TLS service at 400 N Jasper site was a ministerial/clerical error during data entry of the original Form 471 application. Please see attached proof of documentation for the \$535.00 MRC. Based on the Bishop Perry Order, we request USAC actions remain consistent with this order and FRN 1899012489 be increased for a total MRC of \$1,325.00 per documentation.

Given that the omitted funding in this case was based on merely an administrative error, omission of adding the additional line item on the Form 471 application, the Parties respectfully request that the SLD process this Letter of Appeal and approve the correct funding commitment for PCM Community School District. The absence of funding for an administrative error places a particular hardship on a school district such as PCM Community School District that otherwise should have been approved for and received E-rate funding for its application.

We respectfully request that you approve full correct funding of this FRN. Thank you for reviewing this appeal. Please use the contact information below.
