**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep local internet options available by maintaining access to the lines needed by local providers.

My experience with the local providers has been better than the big broadband providers as far as reliability and price. Keep competition alive to provide better access the people who need it.

Thank you,

William Bockoven
