Re: M M - Docket No. 92-247RM-8098

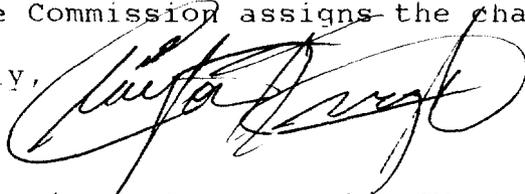

Thru this letter I wish to notify the Commission that I was served very late by the Commentors in the above joint petition. Proceeding. I received it on Saturday, January 16, 1993, therefore Saturday nor Sunday, nor Monday 18th, a legal federal holiday, The Martin Luther King Day, has allowed me sufficient time to seek legal assistance for time enough to reply to "Comments and Counterproposal M M Docket 92-247, RM-8098. The dateline to reply was on Tuesday January 19, 1993.

There's not enough time to respond in one day. It is simply impossible for me to reply on time to this extensive petition by the "Joint Commenters" Comments and counterproposal. I believe that somehow I was served late by Attorney Cinnamon. The postmark on the document sent read January 7, 1993. Yet I did not receive these documents until January 19, 1993!!!!

Based upon the above facts, I request that the Commission dismiss and reject the "Joint Commenters" Comments and counterproposal.

Additionally, I wish thru this letter reaffirm my deep continued interest to apply from channel 285A for Christiansted, once the Commission assigns the channel to table of allotments.

Sincerely,

Clayton Knight, Petitioner for FM channel 285A.
