Re: WC Docket No. 18-210

Dear Ms. Dortch

Great Plains Communications Holdings LLC (“GPC Holdings”), by counsel, submits this letter to notify the Commission of the *pro forma* assignment of blanket domestic Section 214 authorizations held by licensees wholly owned by GPC Holdings. The present *pro forma* assignment arises because the licensees Great Plains Communications, Inc., Great Plains Broadband, Inc., and Great Plains Communications Long Distance, Inc. have been converted to limited liability companies, resulting in the assignment of the licenses from the former corporations to the newly converted limited liability companies: Great Plains Communications LLC, Great Plains Broadband LLC, and Great Plains Communications Long Distance LLC, respectively.¹

The conversion did not change the ultimate ownership or control of the domestic 214 authorizations at issue, and was therefore *pro forma* in nature. The conversion was completed on November 2, 2018.

¹ Notice is also being filed with the International Bureau regarding the *pro forma* assignment of the international 214 authorization formerly held by Great Plains Communications Long Distance, Inc., which was assigned to the newly formed limited liability company Great Plains Communications Long Distance LLC.

Please contact the undersigned should you have questions concerning this submission.

Respectfully submitted,

Great Plains Communications
Holdings LLC
