FUNDING YEAR 2018: 7/1/2018 - 6/30/2019
FCC Form 486 Application Number: 127237
Applicant's FCC Form 486 Nickname: TRL 2018 486

This letter is to notify you that the Universal Service Administrative Company (USAC) has received and accepted a certified FCC Form 486, Receipt of Service Confirmation Form, from you. Information about your commitment may have changed. Please review the [FCC Form 486 Notification Letter Report](#) to confirm the information you provided. This information is also being shared with the service provider(s) identified on each Funding Request Number (FRN).

A [guide](#) that provides a definition for each line of the letter report is available in the Reference Area of our website. Complete program information, including invoice deadlines, is also posted on our website. You may also contact our Client Service Bureau toll-free at (888) 203-8100, or by submitting a customer service case in the E-rate Productivity Center (EPC) by selecting "[Contact Us](#)" from the menu in the top right corner of your landing page and describing your issue.

Next steps

Discuss with your service provider whether you would like discounts on your bills or to pay your bills in full and be reimbursed for discounts.

- Applicants invoice USAC before the invoice deadline using the applicant invoice method [FCC Form 472, Billed Entity Applicant Reimbursement (BEAR) Form] for reimbursements of discounts after paying the service provider bills in full.
- Service providers invoice USAC using the service provider invoice method [FCC Form 474, Service Provider Invoice (SPI) Form] after billing applicants for their non-discount portion.

Whichever method you choose, you must pay your non-discount portion, as stated in program rules. Program rules also require that participants maintain all documentation for at least 10 years after last day of the applicable funding year or the service delivery deadline for the funding request, whichever is later.

To appeal this service start date/funding commitment change decision

You may appeal the Service Start Date change(s) and/or funding commitment adjustment(s) indicated in this letter to USAC in EPC within 60 calendar days of the date of this letter. Failure

to meet this deadline will result in automatic dismissal of your appeal. You must file your appeal first with USAC because the FCC Form 486 deadline is a procedural deadline and not a program rule that requires a waiver by the FCC. If USAC denies the appeal, you may then appeal to the FCC.

To file an appeal with USAC, select "Appeal" from the menu in the top right corner of your landing page and then provide the requested information. USAC will reply to your appeal submissions to confirm receipt. Visit the [USAC Schools and Libraries website](#) for more information on submitting an appeal to USAC, including step-by-step instructions.
