Dear Valued Customer,

Thank you for being a Spectrum Business customer. We are proud to be America's fastest-growing TV, Internet and Voice provider. Our employees are committed to delivering best-in-class products and customer service, all at a better price. We are notifying you of a change to your Spectrum Business services.

In order to focus our efforts on our mission of delivering superior Internet, Voice and TV services for less than other providers, we will no longer provide and support certain services that were previously outsourced and delivered to you by Spectrum Business affiliated companies in Colorado, Montana and Wyoming.¹ Accordingly, beginning on December 21, 2017 we will no longer offer or support Bresnan Conference Services. To prevent any disruption to your business, we recommend locating another conference service provider in your area prior December 21, 2017 to meet your business's needs.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Bresnan Digital Services, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

At Spectrum Business, we value your business and look forward to providing you the best value for Internet, Voice, and TV. If you have any questions about your new services, please contact our dedicated, U.S.-based customer support team at 800-314-7195.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Griffin".
