Notification of Charter Communications, Inc. of Served Census Blocks

Pursuant to the Commission’s Public Notice¹ and the process set forth in the Commission’s *Order on Reconsideration* in this proceeding,² Charter Communications, Inc. (“Charter”) hereby provides the following notification of served census blocks.

The *Public Notice* identifies 9,703 census blocks, not previously identified in CenturyLink’s initial election, in which CenturyLink has provided public notice of its intent to serve locations using Phase I incremental support. Charter, having reviewed the census blocks identified in the *Public Notice*, hereby provides notification to CenturyLink, and to the Commission, that Charter already offers, in 356 of the census blocks newly designated by CenturyLink, Internet service, and does so at upload and download speeds exceeding 3 Mbps downstream and 768 kbps upstream.

A list of the census blocks already served by Charter are attached to this notice in machine-readable format as Exhibit A. Accordingly, Charter believes that the census blocks in
