**Re: Electronic Delivery of MVPD Communications; Modernization of Media
Regulation Initiative; MB Docket Nos. 17-317 & 17-105**

Dear Ms. Dortch:

On November 6, 2018, Ryan Wallach and the undersigned of Comcast Corporation met with Erin McGrath and Kagen Despain from Commissioner O’Rielly’s office, to discuss the above referenced docket. On November 7, 2018, we met with Evan Swarztrauber from Commissioner Carr’s office on the same matter.

At both meetings, we expressed our support for the Commission giving operators the flexibility to use electronic means to provide subscriber notices, which would benefit consumers, reduce the amount of paper that must be sent, and reduce unnecessary costs. We also discussed the unique notice issues that arise when renewal negotiations for certain program channels are ongoing and the appropriate notice methods, if necessary, in such circumstances.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Jordan Goldstein
