FCC - MAIL ROOM

I am writing in request to you
recent censorship of the Sen Peckw commercials
I think its a shame that you would
attempt to keep the truth from the
American people concerning abortion.

The people have a right to know the
facts concerning this terrible thing we
label as abortion. It ~~is~~ has
nothing to do w/ women's rights or
free choice. It has to do w/ life and
death.

Sincerely,
Naomi Shecht

TO WHOM THIS MAY CONCERN:

FCC MAIL ROOM

I am writing to voice my concern that the FCC will be ruling shortly, on whether or not pictures/videos of aborted babies may be used in the campaign ads for candidates running for Federal offices. Although these pictures/videos are gruesome to look at, the fact remains that abortion has gruesome consequences. Someone always dies. I believe that it is within the guaranteed 1st amendment rights of a candidate for Federal office to express their personal beliefs during a campaign, in the manner that the candidate judges necessary, in order to reflect these beliefs. Their are many of us who believe that abortion is murder, and continue to work for its ultimate demise, however politically incorrect this position may be. Please continue to support the guaranteed rights given to us by the United States Constitution, even if we do not agree. I ask that you will rule to continue to allow that the pictures/videos of aborted babies can be shown in campaign ads by candidates running for Federal offices.

Sincerely,
