Re: WC Docket No. 04-36, *In the Matter of IP-Enabled Services*

Dear Ms. Dortch:

On November 7, 2018, Elizabeth Andrion, Charter Communications, Inc.'s Senior Vice President, Regulatory Affairs, Christianna Barnhart, Charter's Vice President, Regulatory Affairs, and the undersigned met with Nicholas Degani of Chairman Pai's Office to discuss the regulatory classification of interconnected VoIP in the wake of the Eighth Circuit's decision in *Charter Advanced Services. v. Lange*, 903 F.3d 715 (8th Cir. 2018). During the meeting, we explained that the court's decision has definitively resolved this question. We further explained that a decision by the Commission to adopt the court's reasoning would help provide additional certainty to the industry.

Please contact me if you have any questions.

Sincerely,

/s/ Samuel L. Feder
