Re: *Connect America Fund, WC Docket No. 10-90; Establishing Just and Reasonable Rates for Local Exchange Carriers, WC Docket No. 07-135; Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; AT&T Petition for Forbearance from Certain Rules for Switched Access Services and Toll Free Database Dip Charges, WC Docket No. 16-363*

Dear Ms. Dortch,

On November 7, 2017, Keith Krom, Hal Thompson, Saikat Sen, Philip Bowie, Kim Meola, Ardell Burgess and the undersigned, all of AT&T, met via conference call with Lisa Hone, Pamela Arluk, Victoria Goldberg, Gil Strobel, Edward Krachmer, Doug Slotten, Lynn Engledow, Rhonda Lien, Gregory Capobianco, and Irina Asoskov, of the Wireline Competition Bureau. During the call, AT&T and Commission Staff discussed 8YY call flows (see attached), database query charges and the accordant arbitrage AT&T finds harmful in the marketplace. In addition to expressing continued support for its pending Petition for Forbearance, AT&T also supports broader intercarrier compensation reform, and looks forward to working with the Commission to accomplish these goals.

Sincerely,

Matt Nodine
