

**PLEASE** leave the current funding for PEG stations and local cable access stations in its current state. Do not destroy the funding mechanism they depend on. **THIS** is a **FREE SPEECH** issue that allows citizen access to media that is normally impossible to have access to through the major corporations.

No matter one's party affiliation, this is concerning to all.

Thank you,

A handwritten signature in dark ink, appearing to read 'Mark Marderosian', with a stylized flourish at the end.
