<sup>1</sup> Talk America Services also intends to disconnect local exchange service (dial tone and local usage), digital subscriber line ("DSL") internet access, and intrastate long-distance services to some of the affected customers. These services are not subject to the FCC's Section 214 discontinuance rules and are, therefore, not included as part of this request for authorization. However, customers are being notified regarding all of the services that are to be discontinued.

3. *Date of Planned Service Discontinuance, Reduction or Impairment:*

Talk America Services proposes to discontinue the services that are the subject of this Application on or about January 13, 2020, pending required federal and state regulatory approval of the discontinuance.

5. *Brief Description of Types of Service Affected and Reason for Discontinuance:*

The table below identifies the types of telecommunications services and number of customers impacted by the proposed discontinuance of service.

<b>State</b>	<b>Local Exchange/Exchange Access Lines and Intrastate/Interstate Long Distance (Bundled)</b>	<b>Intrastate and Interstate Long Distance Only</b>	<b>Total Affected Customers</b>

The services subject to the FCC's jurisdiction that are the subject of this request for authorization are exchange access and interstate long distance. Talk America Services relies exclusively on an underlying provider to provide services in the affected states. The underlying provider has notified Talk America Services that it will no longer provide or support these services. Consequently, Talk America Services must discontinue service to the affected customers.

As described below, Talk America Services is providing all affected customers with ample notice of the discontinuance and has established a dedicated toll-free customer service number to support customers impacted by the discontinuance.

6. *Brief Description of Dates and Methods of Notice to All Affected Customers:*

The Applicant has provided written customer notice of the planned discontinuance in accordance with the requirements of section 63.71 (a) of the Commission's Rules. Notice was provided via 1<sup>st</sup> class U.S. mail to all affected customers on November 4, 2019, and November 11, 2019. The notice is attached as Exhibit A.

A copy of this Application is being sent to the state regulatory commission and governor's office in Minnesota, as well as to the Department of Defense, as required under Section 63.71, concurrent with this filing. A service list is provided in Exhibit B.

**Conclusion**

Talk America Services, LLC respectfully requests that the Commission approve its Section 63.71 Application to discontinue the services described herein. Pursuant to Section 214(a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, Talk America Services understands that this application will be automatically granted on the 31<sup>st</sup> day after the Public Notice is released, with no Commission notification to the Company, unless the Commission has notified the Company that the grant will not be automatically effective.
