**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Where I live, there's really only one broadband provider, and it's overpriced and slow. The quality of broadband in the United States is terrible, and this condition will only persist if anti-competitive practices are further enshrined in the broadband market.

Stop making internet more expensive and hindering progress by pandering to the broadband companies' interests. Start protecting consumers! We need more competition if we're ever going to have internet at respectable speeds and costs.

Joe
