**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband consumer and I need and support a competitive market.

Without competition AT&T and Comcast become Monopoly with complete control over things Internet pricing and service it is. It is purely because of small local competitive Internet providers that I have had a good access to Internet in the past, and it is the small companies that I rely upon that need to be supported with an efficient and therefore competitive market
