RE: *Connect America Fund, WC Docket No. 10-90; ETC Annual Reports and Certifications, WC Docket No. 14-58; Establishing Just and Reasonable Rates for Local Exchange Carriers, WC Docket No. 07-135; Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92*

Dear Ms. Dortch:

On Friday, November 9, 2018, Shirley Bloomfield, Chief Executive Officer of NTCA–The Rural Broadband Association (“NTCA”), together with the undersigned, met with Commissioner Jessica Rosenworcel and her chief of staff, Travis Litman.

In the meeting, we discussed how to address ongoing concerns with respect to the sufficiency and predictability of federal high-cost universal service fund (“USF”) support. NTCA noted the overwhelming support from stakeholders in the record of the above-referenced proceedings and among policymakers generally for longer-term funding to promote universal service in rural areas. Consistent with a letter submitted previously by NTCA and other rural advocates, we encouraged the Federal Communications Commission (the “Commission”) to adopt and implement a straightforward set of reforms that will provide support that is both sufficient and predictable for each of the already-existing USF mechanisms and continue to promote effective and responsible use of USF resources going forward. *See Ex Parte* Letter from Shirley Bloomfield, Chief Executive Officer, NTCA, *et al.*, to Marlene H. Dortch, Secretary, Commission, WC Docket No. 10-90, *et al.* (filed Oct. 1, 2018).

Thank you for your attention to this correspondence. Pursuant to Section 1.1206 of the rules of the Commission, a copy of this letter is being filed via ECFS.

Sincerely,

/s/ Michael R. Romano
