RE: Section 63.71 Application of XO Communications Services, LLC and XO Virginia, LLC, WC Docket No. 19-339

Dear Ms. Dortch:

On November 1, 2019, XO Communications Services, LLC and XO Virginia, LLC (collectively "XO") filed a Section 63.71 application to grandfather a number of services. XO also served a copy of its application to the public utility commissions and Governors in States in which XO seeks to grandfather service; to the impacted Tribal Nations; and to the Secretary of Defense.

Due to a vendor error, some customer notification letters were sent within two business days after the date noted on the application. All customer notices were sent as of Tuesday, November 5, 2019. Accordingly, XO amends its application to reflect this minor change.

If you have any questions regarding this matter, please contact me at 202-515-2590.

Very truly yours,
