Schools and Libraries Program: CC Docket No. 02-6

11/13/2017

To Whom It May Concern:

I am requesting an appeal seeking a waiver of the FCC rules to file the BEAR Form 472 which had a deadline of October 30, 2017. I am relatively new to this process and unfortunately missed the deadline for filing. I kept checking on Universal Service Administrative Co.'s website to make sure I had all deadlines met, and then realized the data was on a separate website. I called USAC and was informed that I would need to file an appeal. I realize this is an error on my behalf, but sincerely hope you will consider my request as this is my fault, and I am concerned the District will lose this funding for seven of the FRN's I completed.

I sincerely appreciate your time and hope you will consider my request.

Sincerely,

Cathy Ringo
Director of Technology
