

**Certification that Provisionally Selected Census Blocks are Included in ETC Designation**

I, John Greene, CEO and General Manager, hereby certify that the Eligible Telecommunications Carrier ("ETC") designation for New Lisbon Broadband and Communications, LLC ("New Lisbon"), obtained on September 23, 2015 covers all of the Indiana census blocks listed below. These census blocks comprise New Lisbon's "Cambridge City" bid, which was provisionally selected by the Federal Communications Commission as a Rural Broadband Experiment winner, contingent in part on obtaining the aforementioned ETC designation in the service area.

Census Blocks included in ETC Designation from the Indiana Utility Regulatory Commission:

180659768001053  
181770105002042  
181770105002044  
181770105002049  
181770105002050  
181770105002125  
181770106005019

Date: JANUARY 13, 2016

Certifying Signature: 

Name: JOHN E. GREENE, JR.

Title: CEO & GENERAL MANAGER
