To Whom It May Concern:

I am filing this waiver asking for 120 day invoice deadline extension for FRN numbers 1699009525 and 1699009560. These are both on Form 471 Application 161006949.

I believe when we made the transition to the new EPC filing system I left out the step for filing our invoices.

I apologize for my lack of attention to this detail, and ask that Sesser-Valier School District 196 will not be penalized for my mistake.

Sincerely,

Regina Y. Tinsley
