RE: Section 63.71 Amendment Letter to Application of Windstream Services, LLC. –
Docket WC 19-340

Dear Ms. Dortch:

Network Telephone, LLC (“Network Telephone”) respectfully files this Amendment to Application for Authority to Discontinue certain services that was filed with the Commission on November 8, 2019 (“the Application”).

Network Telephone hereby amends the Application by confirming that it provides a stand-alone interconnected VoIP service throughout each of the affected service areas, and that at least one other alternative stand-alone facilities-based wireline or wireless voice service is available from another unaffiliated provider throughout the affected service areas.

The Application is hereby amended consistent with these modifications.

Please feel free to contact me if you have any questions regarding this amendment.

Sincerely,

Edward J. Cadieux
