**Re: *Ex Parte* Communication: WC Docket Nos. 10-90, 14-58, 07-135, and CC
Docket 01-92**

Dear Ms. Dortch:

On November 9, 2018, Genny Morelli and the undersigned of ITTA met with Preston Wise of the Office of Chairman Pai regarding the Notice of Proposed Rulemaking in the above-captioned dockets.¹ We discussed deployment obligations of current participants in the A-CAM program relative to buildout costs. We elaborated that the density of a service zone influences the mix of fiber and electronics entailed to achieve deployment at required speeds, and how this mix influences buildout costs.

Please do not hesitate to contact the undersigned with any questions regarding this submission.

Respectfully submitted,

/s/

Michael J. Jacobs
Vice President, Regulatory Affairs

cc: Preston Wise
