RE: FCC Form 481 Data and High Cost ETC Certification with Supplemental Information

Dear Ms. Clark:

Taconic Telephone Corp., d/b/a FairPoint Communications hereby submits the enclosed affidavit in support of its use of federal universal funds and to facilitate certification by the Commission as contemplated in 47 C.F.R. §54.314.

Also attached for filing, please find the FCC Form 481 for Taconic Telephone Corp. d/b/a FairPoint Communications as filed with the Universal Service Administrative Company for its study area in Massachusetts (SAC 150084). Portions of this filing are being made confidentially in accordance with the Federal Communications Commission's (Commission) *Third Protective Order*, DA10-1749, released August 30, 2012. FairPoint also requests protection from disclosure to the public by FCC Title 47 C.F.R. §§ 0.457 and 1.459.

This filing contains confidential information on outages, customer information by exchange, and information regarding FairPoint's past, present and future network deployment activities. FairPoint requests confidential treatment of this information as it is competitively sensitive and is not normally released to the public; release of this information could give competitors an advantage in the markets described therein.

To provide state specific data, Taconic Telephone Corp. also submits the following additional information, specific to the operations in the state of Massachusetts.

1. Confidential Attachment 1 provides information regarding "unfulfilled service requests" for study area 150084.
2. Service Quality Standards – see Attachment 2 for the statement of compliance, specific to Massachusetts.

Please contact Beth Westman at 207.535.4249 or bwestman@fairpoint.com with any questions or concerns regarding this filing.

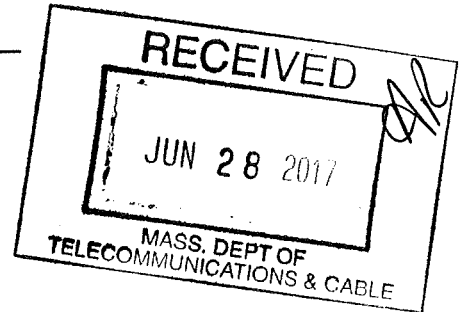

Sincerely,

Beth Westman
