### INTEGRATION STATEMENT

Applicant, Beach TV Properties, Inc., is a Florida corporation. One hundred percent of Applicant's stock (7500 common shares) is owned and voted jointly by Jud Colley and his wife, Tonita Davis.

Mr. Colley is Applicant's president and a director. Ms. Davis is secretary/treasurer and a director. The corporation maintains business offices in Panama City, Florida, and is the licensee/permittee of LPTV stations in Florida, South Carolina, and New Jersey, including Station W46AN, licensed to Panama City. Applicant proposes to establish a full power station on Channel 46, Panama City, Beach, Florida.

If Applicant is awarded the construction permit for Channel 46, Jud Colley shall reduce his involvement with Applicant's LPTV operations in order to serve as full-time General Manager of the new station.

Mr. Colley will be involved in the day-to-day operation of the TV station on a full-time basis (minimum of forty hours per week) as General Manager. Initially, he will oversee the acquisition of station equipment and the construction process. He will then perform the customary duties of a television station general manager. Illustrative, but not inclusive of his duties and responsibilities are the following: Mr. Colley will head and ultimately oversee all departments within the station, including, but not limited to, business, sales, traffic, technical, programming, and administration. He will be responsible in determining on a day-to-day basis, overall station policies, and will be ultimately responsible for the hiring and firing of all personnel, for the station's equal employment opportunity program, and for the overall operation of the station.

Mr. Colley will be joined in the management of the station by his wife, Tonita Davis, who presently devotes full-time to Applicant's LPTV interests. To the extent necessary to fulfill her commitment herein, she will scale back her regular duties in order to serve as the new station's full-time (minimum of forty hours per week) Program Director. Her responsibilities will include planning and acquisition of programming from outside sources and creation and production of station-originated programming. She will maintain overall responsibility for the scheduling and promotion of the station's programming and for the

preparation of advertising copy. She will, in addition, oversee sustaining programming, including Public Affairs, both syndicated and locally produced. In her capacity as Program Director she will supervise all employees involved in programming the station. Finally, Ms. Davis will, as requested, assist Mr. Colley, in the areas of sales and station administration.

In addition to claiming a preference for integration of ownership into station management, applicant will claim enhancements as follows:

Gender. One of Applicant's two integrated principals is a female.

Past, Present, and Future Local Residence. Mr. Colley and Ms. Davis are residents of Bay County, Florida, and their home is located within the proposed service area of the full power station. Mr. Colley has resided in the service area since 1983. Ms. Davis was born in Panama City and has resided in the area all of her life.

Broadcast Experience. Mr. Colley and Ms. Davis have been directly involved in the development, management, and operation of Applicant's low power television broadcast properties since 1989.

Civic Participation. Since approximately 1989 Mr. Colley has served on the Board of Directors of United Cerebral Palsy in Panama City. Ms. Davis is a board member-elect of the Panama City Beach Chamber of Commerce, and for the past approximately five years she has been a member of the Bay County Chamber of Commerce.

Applicant intends to install auxiliary power generators and will seek a preference for such proposal.
