Washington, DC 20554

**Re:** Petition for Rulemaking to Permit MVDDS Use of the 12.2-12.7 GHz Band  
for Two-Way Mobile Broadband Service, RM-11768

Dear Ms. Dortch:

On Tuesday, November 17, 2020, Michael S. Dell, chairman and chief executive officer of Dell Technologies, Inc., spoke with FCC Chairman Ajit Pai. Mr. Dell discussed the need to continue identifying spectrum for 5G wireless broadband. He encouraged the FCC to issue a transparent notice of proposed rulemaking to determine how the 12.2-12.7 GHz band can be used for 5G. Please contact me with any questions regarding this submission.

Sincerely,

/s/ Trey Hanbury
