

Hello,

My name is Steven Urban and I live in Phoenix AZ. Im summiting this complaint in regards to proceeding 17-108, the Net Neutrality repeal. I am registering this complaint because I believe repealing Net Neutrality is inherently Anti American and will hurt small business, it will stifle internet acces for lower income and rural communities and it will allow corporations to decide winners and losers instead of allowing the market to decide. Repealing Net Neutrality will hurt America and it is not what the people of this great country want.

Thank you,

Steven Urban
