Dear FCC

November 22, 2019

I am writing today for a waiver of the time to file an invoice as part of the E-rate program.

The original filings in this case are from 2017. A post commitment change in funding happened, an appeal was filed and eventually granted in a Revised Funding Commitment Decision Letter dated 8/30/2019.

The timeline to file an invoice is not within the scope of the original filing, and USAC has directed me to file an appeal of this using the 02-6 process with the FCC.

Relevant documents and dates

Revised Funding Commitment Decision Letter August 30, 2019

USAC Case 285858 Form Number 171045235 Created On 10/7/2019

"Appeal #144792 was created to correct a Data Entry Error. Unfortunately, USAC is not authorized to extend the invoice deadline based on this appeal case. The next step would be request an extension with the FCC" 11/4/2019

Original Commitment Amount \$2,868.48

Post Commitment Amount \$298.80

Revised Commitment Amount \$2,868.48

Please let me know what documentation I need to provide to support this request for an extension.

Thank you,
