Ex Parte Presentations. This proceeding shall continue to be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules, and other relevant WCB guidance.¹ To the extent that parties make presentations that are not subject to the modified procedures, the Commission’s filing requirements for “permit-but-disclose” proceedings under Section 1.1206 of the Commission’s rules apply.

¹ In a Public Notice released on August 18, 2015, the Bureau modified the applicability of the Commission’s *ex parte* rules to this proceeding in certain respects. *See Notice Concerning Ex Parte Status of Communications with Respect to the Local Number Portability Administrator Selection Proceeding*, Public Notice, 30 FCC Rcd 8425 (WCB 2015). Parties should consult the *LNPA Ex Parte Status PN* to determine if planned *ex parte* presentations are subject to the modified procedures discussed therein, or the Commission’s standard *ex parte* rules.

Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum.

Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable.pdf). Participants in this proceeding should familiarize themselves with the Commission's *ex parte* rules.
