

I am registering a complaint about proceeding 17-108 because I believe repealing Net Neutrality will hurt American small businesses. It will stifle internet access to poor individuals and rural communities. It will allow corporations to decide winners and losers instead of allowing the market to decide. It will create information gaps and hierarchies that will increase inequality. Repealing net Neutrality will hurt America and goes against the ideals of a democratic society.

Sincerely,
Dr. Kaitlin Clinnin
