FRN	#1999070334
Appeal Reason	Ministerial/clerical error, Only 1 day after the 60 day deadline rule
Proceeding No.	02-6

Appeal Explanation:

We are requesting a waiver of the FCC rule regarding the requirement to submit an appeal within 60 days of the date of the notification letter. Funding Commitment Decision Letter (FCDL) for Evanston Townships Category 1 application was issued on 9/26/19. All but one of the FRNs were approved. Cogent Communications FRN #1999070334 was incorrectly denied.

The day of the 60 day deadline for this appeal was 11/25/19 but due to a ministerial/clerical error the appeal was submitted in the EPC portal the day after on 11/26/19.

The FCC has historically granted a grace period of Forms and appeals filed within two weeks of the deadline. We request that the FCC honor this grace period and grant this USAC appeal #170841 as Submitted within 60 days so that USAC is able to process and overturn the denial of FRN 1999070334.

Sincerely,
