

WAIVER REQUEST

To Whom It May Concern;

We, the Mattoon School District, would like to place a **waiver request/invoice deadline extension** for USAC Funding Year 2017 **FRN #1799015228** (Consolidated Communications, SPIN# 143001882), **#1799015221** (Consolidated Communications, SPIN# 143001882), **#1799015211** (Consolidated Communications, SPIN# 143001882) and **#1799015248** (Illinois Century Network, SPIN #143028319).

When filing the FCC Form 472 Invoice BEAR forms, we placed the wrong date in the "*Shipping Date To Customer or Last of Work Performed*" area of the BEAR form for each of these FRN's. We would like to request this waiver so that we can resubmit the BEAR forms for each of these.

For the **FRN #1799015248**, listed above, we have received a Schools and Libraries BEAR Program Remittance Statement. Please see included documentation.

For **FRN's #1799015228, #1799015221, #1799015211** we have not received any documentation at all but are aware that these dates are erroneous as well and would like to submit correct dates.

Thank you for your consideration of this matter.

Larry Lilly

Case Description

Description We have received information from you regarding funding year 2017 BEAR forms. It appears as though we listed the date of "Last Day of Work Performed" incorrectly. We have filed an appeal for one FRN (#1799015248) as soon as we got the BEAR Notification Letter. We have not as of 11-13-18 received a BEAR Notification Letter for FRN #1799015211, 1799015221, 1799015228. We know the dates need to be adjusted on those as well. Should we go ahead and file the APPEAL anyway? Please advise.

	Thank you for contacting USAC Client Service Bureau	
	Apologies allow me to try to provide some clarity. The invoice was denied because the "delivery date to customer" on the invoice was before the funding year of the FRN. When this occurs you will need to submit another invoice for that FRN with the correct delivery date (within the funding year of the FRN)	
USAC	However these invoices are still in review and are pass their invoice deadline so any invoices sent in will be denied. You can request a waiver with the FCC to extend your invoice deadline by following the steps provided below on 11/14/2018.	11/21/2018 5:26 PM CST
	If you have any questions or believe this case was closed incorrectly, please re-open this case or contact us at (888)-203-8100.

CAREN MORAN	I was just wondering about an update on this issue. I reopened it on 11/14 at 2:19 pm but haven't heard anything from this. Please advise.	11/20/2018 12:44 PM CST
	Thank you for your help.	
CAREN MORAN	I'm sorry but am a little confused. The appeal we filed for the one FRN that was denied (because of the date error) was filed from the EPC page. If the other BEAR form gets denied, is that the APPEAL form I use or should I use the one from the FCC page you have referenced below? Should I have used that the first time?	11/14/2018 2:19 PM CST
	This is the first time we have ever been referred to the FCC area so are not sure we understand. Please clarify.	
	Thank you.	
USAC	Please wait to file the appeal with the FCC in regards to the invoices. The invoices are still in review and a decision has not been made so as of right now there is nothing for you to appeal until the invoices get denied.	11/14/2018 11:38 AM CST
	What you will need to do in the mean time is get an invoice deadline extension WAIVER with the FCC. The deadline to have 2017 FRNS invoiced was 10/29/18. Being that more than likely the invoices will get denied you will need to resubmit the invoices.	
	Parties that are seeking a waiver of FCC rules or that have filed an appeal with USAC and received a decision may, if they choose, appeal USAC's decision to the FCC. You must submit your appeal to the FCC within 60 days of the date when USAC issued the decision.	
	On all communications with the FCC, be sure to reference the
