Dear FCC 1641

This is in regards to  
proceeding 16-41. I am lucky enough to  
get RFD TV on Direct TV. I grew up on a  
farm and married a farmer. I am now  
a widow but still live on the family farm  
and cash rent the ground to a neighbor.

The music shows, the information  
about the business of agriculture in  
other states and even the current markets  
are of interest to me. I also enjoy the  
equine programs and even get Cowboy  
Church on Sunday.

It would be a shame to lose  
this educational program. People who  
live in town often think the produce  
and other products grow on the grocery  
store shelf!

At some time during the day

seven days a week my  
TV is on RFDTV. Please  
don't allow cable and satellite  
companies to rob me and others of  
this family safe programming.

Thank you.

Dear FCC 11641

I'm writing to ask you to please  
don't take the Rural programming  
off the air. My husband & I are in  
our 80's. We aren't able to go out for  
entertainment, so our Rural TV Channel  
is our main entertainment. Other  
channels don't carry programs that we  
like, such as the train rides, Gospel  
music & Country music.

We watch it on Somerset Cable  
from ~~Andover~~ <sup>Andover</sup> MA 01541.

Please consider the senior citizens  
in this matter. A lot of the  
"new music" doesn't appeal to us.

Respectfully  
Floyd Margaret Wakefield

I am writing to you because  
I want you to keep RFD TV  
on the air, I enjoy the channel  
very much. The Shows are real  
America at it's best. My Favorite  
is Michigan Magazine but I  
watch several shows. I have  
DIRECTV so PLEASE KEEP ON AIR.

I plead with you not to  
remove R.F.D T.V. station from  
our Satellite.

My husband, served 5 1/2  
years in service during W.W.II. And  
he loves watching R.F.D.T.V. with  
horse shows, rodeos & Music  
shows. He watches that Channel  
all the time & I think he serves  
that.

Sincerely;

(Dear Sirs)

Based on the announcement on RFD, it appears FCC is going to allow Cable and Satellite Companies to drop RFD. This is a huge mistake. We watch RFD a lot - Lee Ann, Marty, Stuart, Ray Price Nashville, Larry Country (Kinner), and many other shows and when our grandchildren are here we always watch RFD even the Redies, good families. Entertainment with NO violence or foul language.

Please don't allow the companies to drop RFD.

We even went to Brown to see Larry's Country. When we saw advertising on RFD and got our tickets there RFD and got to see Gene Watson

1641  
I want to add my name to the  
list of those protesting any plans  
to cancel RFD from my direct TV  
line-up.

I am a widow, 83 years old, and  
no longer drive. There are only a few  
stations with anything worth  
watching. I do enjoy RFD TV. I like  
the country music shows and that  
is the only station where they are  
available. Texas Country Reporter is a  
good show. True Country is good.  
Country Family Reunion, Larrin Allen,  
Mollie B Palka, Country Cooking,  
Mid-West Country, Marty Stuart,  
Pressley's, the Gaithers, the Train  
Shows, etc.

Please reconsider. Verizon could lose  
customers - - me included.

Sincerely, Laverne Ladd

To Whom It May Concern:

DOCKET FILE COPY ORIGINAL

I'm writing about our R.F.D.  
Channel on T.V. Rumors are they  
want to take it off. I would  
miss it more than I can say.  
I watch it whenever there is  
something on I can enjoy.

Our regular stations on  
TV. is usually sports which  
I don't enjoy a whole night of  
that is too much for me. I'm  
glad I can turn the Channel  
and find country music. I  
was raised on a farm and that  
is why I do enjoy this  
Channel. How times have  
changed? I especially  
like Sat. Nights & Sunday

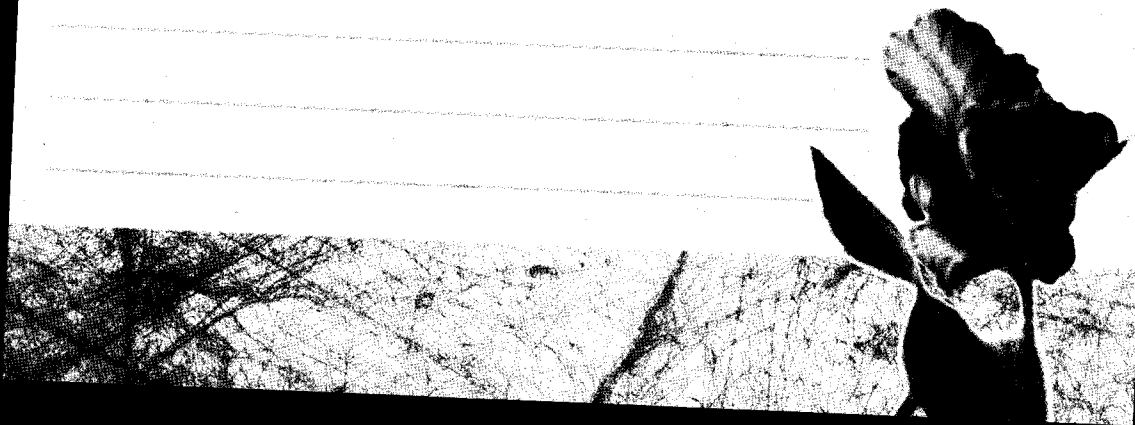

2.

My son prints me off the  
Schedule from his Computer  
so I know where to find what.

I'm 89 yrs. young and I  
don't enjoy sports to much  
any more. I'd much rather  
hear a good program of country  
music.

So please reconsider taking  
it off the air. We need this  
channel very much

I am almost 73 yrs old

I have told many friends

I am writing with a few comments  
of my own;

The elderly people don't  
have a lot to do but go to  
Dr. app. & social events & to  
Church so in our homes  
we watch T.V. & this is the  
most watched Channel  
for us. Yes! due to what  
is on it. Music of different  
kinds & our favorite programs.  
I think it would be a shame  
to take it away. You all have  
Dish or Direct T.V. - we do  
pay our Cable Bill.

Note at top the most  
important network & it is  
time to stop the non sense  
of what they are trying to do!  
Thank You - M. L. O'Neil

Dear FCC, 1041

I wrote a letter before about not taking the RFD TV, off the T.V. I enjoy this channel very much, if it wasn't for the RFD TV channel I would not have known who Larry Black was. He is the one that keeps the old country music and country stars alive. We have lost a lot of good country stars but this channel has kept them alive.

Larry Black & Bill Anderson have been such a special pair, by playing "Country's Family Reunion". If you take this channel off the air, there won't be any more good old country music shows.

My family told me to order this cable package with the RFD TV station and I have enjoyed all the shows, so please don't take

Re: RFD - TACKET FILE COPY ORIGINAL

Please leave it alone, as is, for people to enjoy some very good, (I guess different) TV shows.

So many are carbon copies of so many others. We enjoy many of the shows we can only see on RFD-TV (we're white, very senior citizens if that's helpful for your statistics)

One thing that really annoys me -- you're (or someone) is thinking of doing away with this one nice station. Yet one of the shopping shows has 6 separate channels (maybe more) selling the same things -- the same shows. And others have multiple channels on which they present their shows. Plus so many other shopping channels.

I've used some and have nothing against them, but it seems one of those multiple channels could be eliminated and let one channel be used for RFD-TV, as it is now,

Terry West

many
