Sirs =

I was born 06-07-1937 on the
Family Farm. I got married 02-07-1961
and stayed on the Farm until 1976
running a grade A Dairy Farm - our
3 children grew up knowing the
Farm life. Our grandson at the
age of a teenage ask me one day
what was the difference of a Range
Fire and a cage raised laying Hen.
What a difference a few years off
The Farm can make!

We watch TV by way of Direct
TV.

Please leave RFD TV on the
air so the Farm life and farm stories
can be carried for the next gen - Thanks
Joe W Morey

We also like The reports of
Orlin-Max-Mark-Keep up The good

Dear Sir, ^{POCKET FILE COPY ORIGINAL} 3/20/16
To whom this may concern,
I am writing to complain
about the companies that
are blocking our T.V. channels.
We have Direc T.V. and
we watch the R.F. D. farm
channel a lot, and we under-
stand that those companies are
trying to take it off.
They have also taken off
channel 2 lets make a
deal; we also watch it
a lot. We love the Farm
Channel, and we watch it
all of the time, and we don't
want to loose it. We are
elderly people my wife
and I. When those companies
can take off or put on the
T.V. we might as well get ride
of our T.V. So we are asking
the F.C.C. to do something
about it. The companies
should be ashamed of themselves.
Thank you, George and Linda
Hensley

Hi all,

I think RFD will win the war, not just the fight.

Late 70's, I still learn from this station.

I believe the station folks are like "the Gentle Giants", Quiet, Strong, and known when in their presence.

The Vanderbergs in Palm Coast Florida thoroughly RFD also.

Seem a lot over the years. The ones who grow big & get greedy run it all. We're nothing. Stingy.

Thank you for being there & strong. You will succeed.

God Bless you all.

Yours truly, -

Judy Camyar

I am 76 years old Retired and depend on my Country Music, my rural programs that bring me a sense of spirit that younging to destroy with a lot of City CRAP and Political News that I turn off. Many of my friends feel the same way. Between leaders in the white House and the Criminals running for the Office it makes sense your bought and paid for. That down RFD and No Stations and Minn what we have left.

DEAR FCC,

I WATCH RFD-TV ON DISH NETWORK AND IT IS ONE OF MY FAVORITE CHANNELS.

RFD-TV HAS A GREAT VARIETY OF FAMILY-ORIENTED PROGRAMMING - FARMING,
RANCHING, WEATHER, NEWS AND MUSIC. I ESPECIALLY LIKE THE MUSIC PROGRAMS.

FARMERS AND RANCHERS ARE ALSO A VERY IMPORTANT PART OF THIS NATION.

I WANT TO SHOW MY SUPPORT FOR INDEPENDENT RFDTV BY REQUESTING THAT
THE FCC STEP IN AND STOP LARGE URBAN CABLE COMPANIES FROM BLOCKING AND
STOPPING THE RURAL INDEPENDENT RFDTV CHANNEL FROM THEIR PROGRAMMING.
THEY WOULD BE TAKING AWAY SOME OF THE VARIETY FROM OUR TV WATCHING.

THANK YOU FOR ALLOWING VIEWER INPUT IN THIS MATTER.

I've been watching RFD-TV for a long time and enjoy alot of shows especially on the weekend. I'm 74 years old and can't get out as much as I used to and these shows provide me with the kind of entertainment I like. I have satellite with Direct TV and would want the same thing if I ever go into a nursing home. So PLEASE don't take RFD-TV off the air. You would disappoint alot of people.

Thanks so much,

We pay to see these programs that's offered.
For years the nation has depended on our labor and farm
land to provide necessary products needed by city
folks. They got what they needed now its our turn.
Make the changes permanently just like a law or a
rule and leave it. One branch of owners should never have
to continue asking viewers to submit this idea to the FCC.
It should be available from now on. Period !!

I watch RFDTV on Comcast!

My family and I watch almost 20 programs on RFD

We watch it mostly because of all the violence on other channels like
SEX, RAPE, MURDER, and etc

Let the city folk watch their trash. But they should be watching where their food
comes from and who produces it for them.

PLEASE, DONT TAKE RFDTV OFF, I BEG OF YOU

Dear FCC, Proceeding number 16-41

I watch RFD-TV on the AT&T U-verse TV cable system. Cable systems are supposed to serve the public interest. Allowing a cable system to squeeze independent broadcaster like RFD-TV off their cable system is NOT serving the public interest. RFD-TV broadcasts information vital to the success of farmers, information tailored to address farmers concerns and not available on other cable channels. RFD-TV is wonderfully unique, a one of a kind. The musical entertainment on RFD-TV is not available on other cable channels. Parents aren't ashamed for their children to watch RFD-TV.

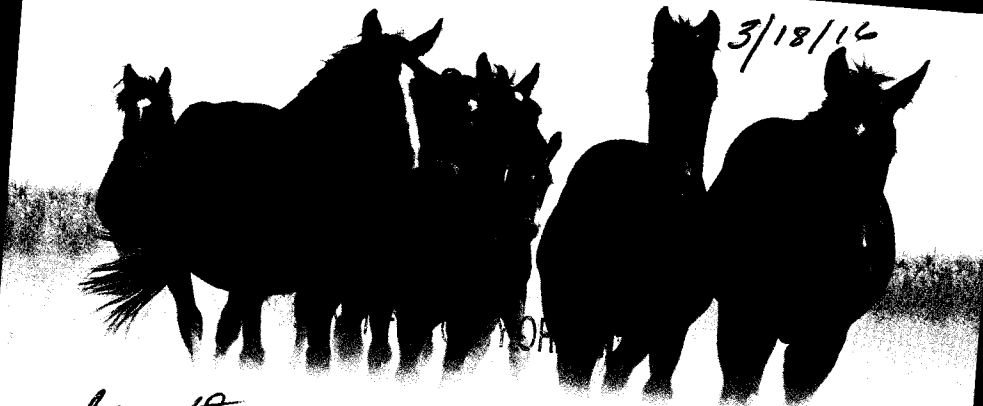

Thank you,

Gentlemen:

I am sitting here watching Family re-union on television. oh how I love it. I'm 80 years old + and remember all of these stars even tho most of them have already passed on. Then I see a message coming across the bottom of the screen saying RFD might be taken off TV. For goodness sakes please don't do that. I watch Larry's Country dinner, Rodeos, The Japan Country reporter and much more.

No whatever it takes - but don't let it go. It is my favorite Channel.

Sincerely,

Helene Watkins
